RANK

12 Offical Sox looked nice but got locked in last time in a V85 race won by Mellby Legacy. Tricky lane, but the filly should still have the best chance to win the race. **11 Carezza** did well last time. It was the first race in over a month and the form is probably improved now. Early contender. **2 Bourbon Split** galloped in the last race but put in a strong effort before that. Is good enough to fight for victory. **4 Quick Action O.C.** was good in the comeback last time and will be in the mix here with a similar effort.

11 Pacino Al Boko did well in the last race after a break of over two months. Hasn't won yet but this looks like a nice task. **8 Young Anthony** has two wins in a row and should be considered despite a tricky starting position. **4 Frog Di Girifalco** is now making his third start on Swedish soil and will soon score the first win for Sybille Tinter. Should not be overlooked. **2 Melina Havelock** did well in the last race. Jepson now is exciting.

2 Olli Boko seemed to have a lot of energy spared last time. Will probably go for the lead here and in that position the four-year-old has won three out of four races. Top chance. **6 Leo The Lion** won despite a tough start in the last race and should be seen as the biggest threat to our pick. **9 Mellby Minerva** has been matched against tough horses most of the year. Challenger. **10 Finance Lady Par** finished strongly in the last race and will be even better now.

RANK

9 Urbina Southwind has now made four races after a long break. Looked in great shape as locked in last time and will pass many opponents with the right trip from behind. **2 Cameron Hills** benefits from this starting position and scored five wins in a row this time of the year last season. Normally in the fight for victory. **1 Can Can Broline** was not at his best in the last race and has also been a scratch after that. In the mix. **5 Ajlexes Hans** is fast when he can save his speed until the final half lap. He should not be underestimated.
