3 Ellis St Martin uses to meet tough opponents and six wins so far have been scored over this 1600 dt. Our winner. 1 Falkor scored a very strong win in Stockholms Hösthandicap over 2100 dt and has also won over today's circumstances. 2 Thunder Mack was second to Ellis St Martin in the last race over these conditions. Should not be discounted. 4 Dust Devil has two straight wins over this 1600 dt but faces also tougher opponents this time. Outsider.

4 **Jungle Vibes** has impressed a lot lately after two great wins. Will be very hard to beat over this perfect 1200 dt. 5 **Fort Dodge** won the debut and scored a strong second spot to promising Cotton Eye Joe after that. Challenger if the gelding handles the dirt. 3 **Miss Mehmas** comes from a nice victory but was second to Jungle Vibes before that and never had a chance. Place chance. 1 **For A Better Day** has done alright so far but needs to be improved to be in the mix in this field.

3 **Spencer** was defeated in the lead in the last race by really good Rhodium Star. Scored a strong second spot though and is our pick here. 1 **Point Boy** is in good shape. Tougher weight now but easier opponents could be the right melody. Contender. 6 **Bloomers Drink** failed in the last race but showed good form before that. Normally an early choice. 9 **Menina** has been consistent and good over these conditions and could cause a surprise in this tricky Bronze handicap.

6 Bearium comes from a very strong victory and faces nice circumstances in today's Silver handicap. Our pick here. 4 Sharp Eye was third in the last race and just closely defeated by Bearium. Could be even better now and is the main challenger. 10 Yalla Yalla was a bit fiery in the front in the last race but kept up the pace strongly to a second spot behind Bearium. Possible. 8 Red Coultish is in good shape and this shorter distance could suit the horse well. Typical outsider.
