Once there he scored a nice victory in the last race. **7 Stens Rebell** is up and down. However, he is really good if he lives up to his full potential. **10 Knut Rapid** is better than the latest results show.

6 Magic In did well in an E3-final and the Kriteriet as heavily backed. Racing under saddle is interesting and he has a good chance if he lives up to his capacity. **2 Kim Peek** likes to run in the lead and was superior in the last race, just like when he won at Vaggeryd in October. Gets an offensive start and if he reaches the front again, he will not be easy to beat. **8 Gasparito** faces good conditions money-wise and is used to tough competition. **3 Romo** is a specialist in this discipline. However, he never had a real chance last time.
