**8 Snabbchat** is our winner here. He has earned the most money this year and opens quickly. We think Per Lennartsson will be offensive and goes for the front. Good chance. **4 Optimum Relight** comes from victory and is driven this time by Björn Goop which is a plus. Good lane. Early challenger. **7 Loviseholms Crown** doesn't win very often but has put in a couple of really good finishes. Tricky draw but possible anyway. **2 Super Rox** has a good lane and is quite consistent. Could at least be a place bet.

**7 Expensive Jewel** is our idea here. He has only one win so far but is in great form and we think he will get an offensive race here. Can take the lead but is an early choice also with other trips. **1 Back To Black** comes from a superior victory and is driven this time by Björn Goop which is clearly interesting. Can open fast and has to be considered. **11 Myspirit** is an early contender too. This is a good horse for this class but he doesn't win very often and this number is difficult. **9 Stunning Doc** is in very good form but he also needs some racing luck from this lane.

**4 Steel Panther** has been competing a lot in the V75 this year and faces easier opponents this time. Was second after a layoff last time and is certainly improved now. Good draw and a quick starter. Shoes now. **5 Kakko Bob** was not at his best in the last race but has otherwise been really good. Per Lennartsson this time and normally an early challenger. **7 Myth's Legacy** scored a good win two starts back and is quite good for this company. Driven by Björn Goop now and that is exciting. Can open fast. **10 Loella Fri** has been very consistent and good at the end but is still without a victory after 23 races this year. Hopes for quick pace. Should not be overlooked.

**7 Västerbo Voodoo** is our pick despite this lane. He is a quick starter and certainly gets an offensive trip by Per Lennartsson. Can take the lead but is an early choice regardless of journey. **2 Julius Cortina** has a much better lane and should get a nice race by Björn Goop, maybe from behind the favorite. Early challenger. **8 Hidalgo Simoni** is probably one of the better horses in the race and trainer Sybille Tinter is often successful in the winter. Has got a break but should be considered early. **12 Fearless Flier** faces good conditions money-wise but this lane is poor. Comes from victory. Is now driven by Linda Hedström and hopes for quick pace.
