5 Timeless Sunset has put in solid efforts lately and shown top form. Ulf Ohlsson up for the first time is no minus. Top chance. **7 Big Cactus Zet** sprinted clearly improved last time. Good horse in the basics, who is good enough to be in the mix. **6 Just More Fun** is a quick starter and should he find the lead, his chances increase. **9 Axl Brown** had some strength left last time. Has won four of his twelve starts at Östersund.

3 Hongslo Viktoria scored a strong win from the lead three starts ago. Good chance to find the lead and in that case good chance to win as well. **7 Modig Ripa** galloped on the home stretch in the last run still fighting for victory. Good form and could very well get quick revenge. **5 V.Viking** is often in the mix when he does not gallop. Has a 20 meters worse handicap than the last time he met Modig Ripa. **8 Hibo Bungal** put in a very strong effort last time, but that was three months ago. Early contender if well prepared.

2 Blaze Gold won directly after a few weeks break. Owns good strength and should like this distance and from the lead she will not be easy to reach. **1 KGH Atlas** showed the right attitude in the end from the lead. Can't defend the inside line, but should be considered with the right trip. **7 Adele Gel** has done well lately and is getting better for every start. Early contender if she continues like that. **8 Danilo SH** has decent form. Has taken all four of his victories from the lead.

5 Vy Jerven showed good speed between the mistakes last time. He is normally reliable at the trot and if he shows the right gait, he should have the best chance of winning the race. **6 VHSjarmis** won easily from the lead last time and showed that the form is as it should be. Now he has to attack from behind, but he has managed that gallantly before. **8 Oskar** is consistent and good and in case of high pace in the race, he will finish quickly. **1 Roald Kjempe** kept up the pace nicely last time. Takes the front and will lead this a long time.

3 Baron Muscle makes an interesting debut for the new trainer. The chances are not easy to predict of course, but in terms of capacity, he is one of the best contenders for victory in the race. **5 Casino Vendil** was a bit slow last time, but has probably progressed somewhat with that race under his belt. Likes tight starts and has to be considered. **9 Esprit Fairway** is also making her debut for a new trainer. Has previously been at her best in the lead, but can surprise despite this back row draw. **2 Seaside Heights** was too fiery in the lead last time. Can do better than that and will probably get a defensive trip this time.

11 Excellent Liss kept up the pace quite well last time. Short distance and back lane are never easy, but now the opposition is a little easier so the chance of victory should be good after all. **8 Thai Charon** has started under the saddle lately and done quite well. Needs some racing luck with this eighth lane, but is possible then. **7 Birdie Num Num** is reliable and puts in consistent and good efforts. Does not win very often, but could cause an upset. **2 Home-made Bourbon** is well drawn and has taken two of his total of six victories over the short distance.
