**RANK**

**8 Ramstad Kristian** is probably the best horse in the field. He uses to be a bit fiery in the races and pulls away on his own. If he stays calm, he is a very early contender in this company. **12 Alm Kevin** will get Björn Goop in the sulky. Has good speed and with the right journey, he will fight for victory here. **9 Troll Tundra** got a tough final lap last time and gave up at the end. She is good enough to win this but needs some racing luck. **1 Alm Andaman** has been drawn to a perfect lane behind the gate.

**9 Vision of Gideon** is used to much tougher opposition and was second in a tough V75 race second last after a strong finish. He's going to move forward quite a bit with that race under his belt. Favorite for the lead and Björn Goop now. **6 Vulcan Laylock** is not that bad and is working well after treatment. **10 Like A Monster** has good speed and is used to face tougher opponents.
