7 Global Dream Trip is probably one of the best horses in this rather weak race. Won three races at this track last year and has to be considered straight away after the layoff. **8 Face to Face** wins often and took two wins in a row in November and December. Is good for this company and an early choice despite this lane. **12 Lots Of Fun Sisu** comes from the Johan Untersteiner stable and is really good for this class. Not at his best in the debut for Alamäki last time but certainly well prepared now. **9 Bold Silver** is coming off a surprising win and did really well. Driven again by Christian Månsson.

5 Knockout Pepper is our pick in this fairly open race. He finished fifth in the last race and has one run under his belt now. Forss again and can open fast. **7 Backwoods Ferguson** is coming off a win and is certainly one of the best horses. A bit tricky number but has to be considered very early. **1 Man of War L.A.** faces tough conditions money-wise but is interesting from this lane. Is a quick starter and should get a nice trip. **11 Babish** won from the lead in December but has a different number this time. Sandra Eriksson is hoping for quick pace.

1 Duke is our pick in this rather tricky race. Is clearly better than the latest results show and had energy left in the last race. Will probably get a nice trip from here and maybe even the lead. **7 Summit By Proxy** won the last race at this track together with Ulf Ohlsson . He got a nice journey then but has a slightly trickier lane this time. Early choice though. **3 Gastronomy** doesn't win often but was second from the pocket in the last race ahead of several of today's opponents. Good draw and is possible. **8 Flor del Inca** is coming off a sensational win and should not be overlooked again despite this difficult lane.

10 Kiwi Sisu has shown good form of late and is coming off a win ahead of Lozano. Has previously shown that he can attack from behind and should have a good chance with a similar performance as last time. **5 Lozano** is looking for revenge for his loss against our pick last time. Ulf Ohlsson is driving this time and that is interesting. Could reach the front. **7 Yara Dream** took an easy win at Rovaniemi in December and in the last race the horse got locked in behind winning Raven. A bit tricky draw but an early choice. **11 The Oak L.A.** galloped from the start in the last race but had shown good form before that. Needs a bit of luck from here but should not be overlooked.
