5 Euron Face took the first victory ever in the seasonal debut and put in a strong effort. With that run under his belt, the form should be even better now, especially since he had been scratch before the last race. Can do it tough. **2 Lumiere Rouge** looked nice in the lead in the last race and won comfortably. Early choice. **7 Avici Willow** is consistent and good. Run under his belt and interesting changes. **6 King Light** finished well behind the favorite in the last race.

6 Remy Lane is really good every now and then but has met tougher opponents lately. Now the five-year-old is stepping down a lot in class and he is really good for this company. Is a quick starter and the short distance should be a plus. **2 Stensjös Moteur** put in a clearly positive seasonal debut and should be in good form with that run under his belt. **7 Flytothemoon Effe** is much better than shown in the last race. Very good over this short distance. **5 Global Expensive** is an early place bet if well prepared before this seasonal debut.

3 Steady Breeze was very convincing in her debut and won with plenty of energy left. The pace was slow, but after a faster finish she decided easily. Tougher opposition now but the horse should be improved. **6 Glamour As** makes her debut for trainer Thomas Dalborg and comes with good form from Germany. **5 Peak Of Cake** returns after a break and is an early choice if she is at her best. **9 Remina** has an interesting draw and is possibel too here.

2 Princess Beluga is speedy and shows good winter form. The lead is worth a lot here – and she prefers to compete there. Our pick and could lead this all the way. **3 Carlos Diamant** has won three of seven starts for Christoffer Eriksson and likes to run in the front, where five of six career wins have been scored. Should get a nice front in front. **4 Global Empress** failed in the last race. Belongs to a stable in fine form and she will be in the fight for victory despite the break. **6 Nepenthe Boko** should have improved his form a lot with the last run under his belt and tight starts are a clear plus.

3 Langli is very capable for this class but has not reached his full potential of late, which has led to a long break from racing. His form is hardly top notch, but if the five-year-old can just find his way back, he has a good chance. **12 Spirit Of Love** won in convincing style in the last race over the favorite distance. Nice number and the form is intact. **4 Jackson Storm** showed good strength in the seasonal debut and is tough. **2 Devs D.Rex** is consistent and good for this company.

5 Qillerbee has a couple of runs under his belt. Prefers to run in the lead and could reach the front again. This long distance is no disadvantage and he should have a nice chance from the lead. **1 Mud Hill** has shown great ability on several occasions and after a late opening in the last race he showed strong form. **7 Balotelli Face** never got a real chance last time. This number is tough again, but he has good capacity, strength and speed for this company. **9 Vision Of Gideon** is matched in the V85 and will step down in class this time.
