7 Raven has had a great start to the season with three wins in four starts. Likes to race on the ice track, but here he could reach the front over short distance and the in-form Bold Eagle-son should have a good chance of winning the twelfth win of his career. **6 Speed Matters** got a tough journey in the same race last time and put in a good effort. With a lane inside Raven he should get a better trip now. **5 Beast** challenged Raven in the last race but had to give up from the lead. Quick starter and could reach a good position early on. **10 Juan Sisu** is in good form but is dependent on quick pace.

4 Oh Mogen has shown very nice resources for this class and won three of seven starts so far. Ulf Ohlsson got to know the four-year-old last time when he was on the outside of the leader and showed great strength. Could repeat that effort here. **7 Nordby Vinter** has taken four wins in a row this winter. The development has been brilliant and even though the opposition is getting tougher, the form is top. **1 Ravinas Rabagast** has shown good capacity. Interesting with a leading position and Ove A Lindqvist. **2 Forsvilja** has good speed and is an early contender if she is at her best.

4 Cool Trix wins very often and does not need a run under his belt. He is good for this class and can do it tough here. Good chance, even from first over. **6 King Of Djazz** won very easily two starts back. Met tough opponents last time in Bergsåker Winter Trot, where he did not convince. Likes to run in front and is back in normal class. **1 Maybach W.F.** returns after a long absence. Perfect number for a nice trip. **2 Henry Flyer Sisu** could compete barefoot and that is a plus.

8 Bornunderthunder has shown good capacity for this class and faced much tougher competition during the winter. If he is in good form after a pause, he should have a nice chance. **11 Sir Håleryd** is the stable pleased with and although he did not impress last season, the four-year-old makes an interesting seasonal debut and is certainly improved both physically and mentally over the winter. **3 Crazy Jane** has a good chance of finding the lead if she starts without a mistake. She could be hard to reach from there. **6 Babish** is on the way up, is working well and will be driven for the first time by Santtu Raitala.

4 Nightwish River had a really strong seasonal debut when he passed his rivals on a tough track. That race should have improved the form of the capable five-year-old who has got a lane on the inside of his main rival. **5 Overhead Panel** has faced both Fighter Kronos and A Fair Day, among others. Seasonal debut now and hard to predict, but is gifted and could challenge for victory straight away. **9 Humble Stance** has come back strongly after a long absence and is showing really good form today. **3 Fructose** is good for this class and become more reliable lately.

9 Epic Combo has great strength for this class and should normally have a good chance to beat these opponents. An offensive trip is to be expected. **2 Ocorone Sunrise** is in good form and fast from the start. With a better starting position than the last time he met our pick, he is an early challenger. **4 Bold Silver** has scored many wins of late and is in great form today. Should be considered early and could score a third win in a row here. **5 Rusty Cage** has performed strongly all winter, albeit in easier company. Is in good shape and should be followed again.
