3 Bella Bellissima is our pick in this tricky race. She won with André Eklundh at Åby in December and is our close favorite for the lead here. Entered barefoot. **10 Chaplin** won in the last race but has not competed for a couple of months. Very interesting in his debut for Robert Bergh. Early choice despite the situation. **1 Juicy** was not at his best in the last debut for Lövgren. Run under his belt now and has a good lane. Driven this time by Tyler Mifsud. **2 C.Caesar** actually beat Juicy in the debut for Mikael Blücher two starts back. Excellent draw and could surprise again.

9 Ottens Lady Gaagaa is probably the best horse here. Scored a good win from the lead two starts back and was quite heavily backed in the last V85 race but galloped. Easier now. Good chance despite this lane. **2 Olara Boko** has only one win in 24 starts but scored two good second spots at this track in January and February. Good lane and our favorite for the lead. **3 Queen Tobina** is a little better than the latest results show. Won at today's track in November and can open quite fast. Should get a nice trip. **1 Reckless Lad** is a quick starter but is probably happy with the pocket where he finished second and third in December and January.

3 Fuga Dal Bar did not score a place in eight starts last year but has been clearly improved this season. Won on New Year's Day and was a brave runner-up last time. Quite quick starter and could possibly take the lead. Stable in form. Good chance. **10 Mister Aloha** is probably one of the better horses in this race. Has shown good form towards the end but needs a little help from this starting position. Challenger. **1 Libertad** can open quickly and is our favorite for the lead. Regardless of whether the horse is driven in the lead, he should be considered behind our favorite. **5 Gladys R.** won outright in the last race after a short layoff and should be even better now. Victor Rosleff this time. Good lane.

3 Tui Southwind is coming off a win and should have a good chance again here. Can open fast and is our favorite for the lead together with André Eklundh. From there he will not be easy to beat. **5 Earnest** is also trained by Eric Martinsson and at least as good. Was a disadvantaged by the low pace in the last race but finished quickly as second two starts back. Driven this time by Victor Rosleff. **1 Nice Run** has a run under his belt and will probably get a good trip from this lane. At least a place bet. **11 Mysterious Lucifer** is one of the better horses in this race but makes a seasonal debut from a poor lane and is a bit hard to predict. He is now driven by trainer Robert Bergh.
