**3 Supernova Lyjam** seemed to have some energy left in the seasonal debut. Quick starter and has got a nice draw. Good chance from the lead. **1 Nott Eck** is consistent and good. Nice number for a defensive journey now and challenging for the victory if he finds room in time. **2 Fashionable Dance** is coming back after a layoff, but is not that bad for this class and should be counted right away. **10 Perfect Match HC** has been a scratch before this start, but is normally in the mix here.

**8 Braceforimpact** galloped probably on the way to victory last time. Has good speed and without a mistake the four-year-old has a good chance to win this. **2 Lauser** galloped in the last run but is normally reliable. Will reach a nice position from here and challenges for the win. **3 Keep Rolling F.** is tricky and can gallop easily. If he avoids a mistake, he's good enough to be in the mix. **4 Neo Band** finished 13/800 last time to finish fourth. Has been a scratch after that, but is normally a horse for a podium place here.

**9 Jax Journey** got locked in with energy left last time in a Klass I-final. That was a couple of weeks ago, but he's good enough to win this straight away. **3 Erjon** is in full form and looked strong last time but got locked in. Quick starter and leads the race for a long time. **6 Diamond Combo** has not started since August when he took two wins in a row. Interesting seasonal debut. **1 Huit** is well drawn and will reach a good position. The form is not easy to predict, but the horse should not be overlooked.
