Returns after a break but should be considered immediately. **7 Gentleman** is not reliable but has good capacity and faces quite nice conditions here. One of many contenders. **8 Feeling Superb** won three races last year and despite this disappointing starting position he should not be forgotten here.

3 Horg Faxen has done very well of late, both under the saddle and in sulky races. He won easily from the lead under the saddle in the last race and should have a good chance. Will probably get an offensive journey. **4 Laettis** won a ridden race in February at this track. Has been consistent and good this year and is an early choice behind our winner. **7 Klepp Tuå** should not be overlooked. He doesn't win that often but has done quite well under the saddle in the past. Possible. **2 Director Ribe** did quite well last year and has an excellent lane in this comeback. An outsider.

2 Haugestad O Sole Mio didn't win a race last year but has started this season really strongly. Won from the lead in the last race and showed the right attitude. Good lane. Good chance. **4 Gjöndina** won four races last year. Kept up the pace best from the outside of the leader two starts back and is an early choice behind our winner. **1 Birk Gullmin** is not entirely reliable but has done well when he has not galloped.
