2 Florenz G. is fast behind the gate and our favorite for the lead. He galloped two starts back and was not empty at the end. Shoes now is certainly an advantage. From the lead he has a good chance of winning. **5 Satisfaction** has good capacity but is making a comeback after a long break. Is a quick starter and is the main challenger. **1 Mezcal Teorvici** is more strong than fast and benefits from over-pace. **6 Fuel Capacity** will need this race after a long layoff.

9 Pepper Creation has improved for every start. In the last race he put in a strong final lap and has a good chance of winning with the right trip here. **10 Orlando Lobell** has shown good capacity and is an early choice if he avoids a mistake. **6 Global Good Enough** is making his seasonal debut this year, but is a favorite for the lead from a good lane and has to be considered. **7 Great Idea** opens really fast and challenges for the lead. He should not be overlooked from there.

6 Young Danne has been improved a lot for Daniel Redén. Has completed his seasonal debut and the form should be improved. Is driven by his trainer now but should have a good chance to score his tenth victory anyway. **2 Diablo** developed nicely last year and is making an interesting seasonal debut. He needs this race, but is gifted and could reach the front. Early choice. **5 Caspian Bro** galloped in the seasonal debut. Early contender without a mistake. **3 Unique Princess** owns nice speed resources.

13 Gretzky Brodde is the best horse here. Seasonal debut and has to pass many horses now, but with the right trip he should have a good chance. **10 Givemeanothername** has not been convinced this winter, but is racing barefoot now. Is gifted. Early contender. **9 Georg S.H.** is good for this class. This number is not a huge disadvantage thanks to his good sprinting ability. **1 Wilgot** looked nice in the last race and should be considered from the front. **5 Västerbo Google** is strong and uses to keep up the pace well.

1 Jerome Zet started with two straight wins last year, but was not as good after that. Back after winter training and will be interesting to follow. Looked really nice last time and from the lead the horse has a very good chance. **7 Asgoodasitgets** was up and down last year but can do better than that. Early contender if the favorite fails. **4 Bartholomew** and **11 Large Level** are both possible but need some racing luck here.

5 Official Sox developed very strongly last year. Looked really nice and had energy left in his comeback. Is both strong and fast. Our pick here. **6 Charming Laura** probably owns the best capacity in this field but she does not always trot perfectly at the end. Has a fast, strong sprint. **10 Time For Champagne** is making her comeback and hard to predict, but the horse is consistent and fast. **8 Gosa Gosling** is talented and strong for this class and should be on the way up with the last run under her belt.

3 Sebastian Ill won by a wide margin in the last race and has very good capacity for this class. With an American bike and a better lane he will be hard to beat again. **Juni Oscar** finished extremely strongly last time. Could get a defensive trip here and will be hard to resist. **7 Lill Alf** is more strong than fast. Difficult lane but in case of quick pace he will pass many during the final lap. **6 Ragnar W.** was a clear favorite in the last race. He has now got a better lane and should be followed.
