1 Barabobbitt is our pick in this short distance race. He got locked in with energy left two starts back and comes from a well deserved win after a strong final lap. Good chance in the lead. 4 Marion Mark can open fast and will challenge for the lead. Was fourth two starts back and improved. 5 You to Ezme has not convinced lately and can do better. Got locked in with energy left two starts back. 7 Ever So Much is consistent and good and uses to meet quite tough opponents. Should not be overlooked.

3 Omega Superstar likes to run in the lead which she could reach here. The form is a question mark after being a non-starter but she is our pick here. 4 Cash and Carry is on the way up again and finished fast to second in the last run. If she is at her best she should be considered early. 7 Cintra resumes from a spell and makes her debut for Westholm. Is good enough to be in the mix directly. 1 Jewilla tried to make it to the final of Drottningens Pokal in the last run. Nice number and she is driven for the first time by Magnus Djuse.

11 Carry Cash is tough and that could be decisive in this otherwise open race. She finished well to fourth in the last run won by Sister Sledge. Our pick. 3 Combat Fighter won the last run and showed good form. He likes to run in the lead and could reach that position with this number. Early choice in that case. 1 Fade to Black Ås will challenge for the front. Has put in nice performances for the new trainer and is an early choice behind the favorite. 9 Oxidizer is back in good form and chases the third win in a row. Possible.
