- CHESTER SKY** - Taking time but is very consistent. Placed 3rd last up over 2100m at Senonnes in a competitive Handicap. Good chance
- SILLABUB** - Won penultimate, finished 3rd over 1850m at Parislongchamp on the 14th of April in a Handicap. Should trouble the judges
- EXCESSIVENESS** - Fair 4th over 2000m last time albeit in a claiming race. That was at Compiègne. Small, outside place chance at best
- SEDSER** - Ignore last run, lightly raced, finished 3rd over 1350m at Senonnes on the 23rd of March. The one to beat
- EXIGENCE** - Current form needs improving on and would be a surprise winner. Finished 10th recently and far prefer others
- BONDINI** - Is improving with racing and fast. Finished an attractive 2nd over 2100m at Haras Du Pin last time. Bright win chance

**Summary:** SEDSER (4) is lightly raced, already highly rated and can be expected to do way better than her last performance at Nantes. She rates the one they all have to fear the most. BONDINI (6) is improving with racing and quickly. Her last run was good and she can go one more. CHESTER SKY (1) is having his eleventh attempt at getting it all right. Strong place chance. SILLABUB (2) was a winner at her penultimate engagement and followed that up with a huge run in a Handicap at Parislongchamp. Big danger in this field.
