Should have a top chance from a perfect starting position. **3 Rafiki Greenwood** got a run under his belt in the last race and will be improved by that run. **6 Bravo Desoto** is the most experienced horse in this race, but is primarily a contender for the second spot. **5 Håsjökometen** has done well so far but faces tough conditions money-wise.

**3 Vikens Upmarket** won easily from the lead in his seasonal debut. Could reach the front again and from there he is the horse to beat. **8 Flying Vero** galloped in the debut but got quick revenge in the last race. In the mix despite a difficult starting position. **9 Cameron Poe** scored a nice win in the debut. Tougher opponents now, but will pass many opponents during the final lap. **10 Troja Tooma** set a good time in the last race. Strong finisher who benefits from high pace.

**2 Intesa Ek** looked nice when locked in last time. She faces an interesting task and will be hard to beat if she reaches the front - which is the main scenario. **6 Ricky Vitanova** did well in the last race after an early gallop in the same race as our pick. Challenges for the win without a mistake. **3 Ranomi Di Quattro** has been up and down so far, but if she has one of her better days she is good enough to be in the fight. **1 Royal Express** was very brave in the last race. Should not be underestimated.

**1 Hatrick Match** did well in the seasonal debut and has probably improved by that run. Good chance from a nice starting position. **6 Geenah Effe** galloped twice in the last race which is worrying. If the mare avoids a mistake she definitely has the speed to win this race. **4 Lindy'sleadingman** is good most of the time and will be in the mix again. **7 Barn Bank** is back after a pause and although his form is hard to predict, he has such high capacity that he shouldn't be discounted.

**RANK**

**3 Collateral** started his career with two wins in a row. Sprinted well in the last race and is our pick in an otherwise wide open race. **1 King Kong** has been improved recently and should be considered from a good starting position. **6 Haute Couture** galloped in the last race but had done well before that. Barefoot for the first time is interesting. **11 Maximus Vici** has taken his two wins from the front but is also good from behind.

**2 Facetime Dream** didn't get it right in the last race and has got a break after that. Top horse who has a good chance of winning straight away. **9 Keep Go Gaga** gave up in the last race after a tough journey. He was really good before that and with a similar effort he should be considered. **8 Leglign** got a tough journey in the last race and gave up. Difficult draw now but should not be completely discounted. **10 Handfulofdollar** got locked in last time with energy left and looks in good shape. In the mix.
