2 One And Only gets the tip in this weak race. She can open fast and is our favorite for the lead. Comes from a second place and seems in good form. Good chance from the lead. **7 Xanthis Irwin** has been quite consistent of late without winning. Was second at this track in June. Challenger with the right trip. **10 Stensjös Farit** has not won for a long time but is not that bad for this company. Marcus Sundberg knows the horse well. Hopes for quick pace. **11 John Filip** was heavily backed in the last race but gave up after a tough start. Was third with today's driver Anna Isabella Karlsson in March.

11 Lady Gaagaa Valley is the least experienced and has a difficult lane but she still gets the tip. She comes from a good performance and will face easier horses this time. Hope for quick pace. **9 D'artagnan Awec** was third in the last race after a short layoff and should be on the rise. Has never won but should be considered in this field. **8 Burn It Down Ås** has a difficult lane and he has not scored a place for a while but scored a couple of good fourth places in May and June and should not be overlooked. **10 Valnes Our Love** has not won yet after 31 starts. Was second at this track in May and is possible with a similar effort. New driver.

9 Åse Time competed in the V85 earlier this year and is going down a lot in class. He has galloped away towards the end on his way to a good result but comes from a nice qualification. Normally too good for this company. **6 Fira Vendil** won six of 18 races last year and earned the most money. No won yet this year but is good for this field. **8 Timo Jutila** is not that bad either. Has a difficult lane but can open quickly and should reach a nice position. Possible without a mistake. **4 Sign Of Times** did quite well last season. Faces a bit easier opposition than at the end and has a good lane. Outsider.
