2 Eol gave up at the end last time after a tough race on the outside. The three-year-old had shown top form in previous starts and if he is anywhere near those performances he should have a nice chance of winning. **4 Zehir** looks to be improving with every race he makes. Even though he faces tougher opposition than before, he should be considered early. **8 Ejnar Face** owns high capacity and has won two straight races in fine style. **3 Zarex** has won half of his starts and if he manages to reach the front his chances will increase.

12 Global Caps puts in solid performances most of the time and has been at least second in five starts this year and won twelve out of 22 races in total. Good enough to pass this field during the final lap. **3 Lupin Mearas** won easily in the last race. Is in good shape and the main challenger to our pick. **4 Quick Bo** likes to compete at Solvalla where he has taken two of his three wins on Swedish soil and he is normally in the fight for victory. **1 Grand Circuit** has won with this driver before and has to be followed from this inside lane.

1 Eloida is a capable filly who will reach a nice position from here and it is not impossible that she can maintain the lead. Regardless of the course of the race, she has a good chance of winning. **6 Cash Bank Bigi** did well in the last race without gaining any money. Normally in the mix. **5 Nikita R.** prefers to run in the lead and if she finds that position and is allowed to dictate the pace, she is good enough for victory. **9 Betting Pacer** maintains her nice form and will get a good race from here. Should not be underestimated if she can save her speed.

7 Sassy But Classy was brilliant from the lead two starts back and finished well in the short E3 final after that so we can expect a strong performance again. **3 Moder Teresa Sisu** is moving up in class , but the three-year-old mare is developing really well and should be close to top form with that run under her belt . **1 Mumin Mearas** was a weak favorite in the last race but had to travel far then and never had a real chance thanks to the quick pace. **2 Popup Pellini** beat Mandrake in the last race despite a longer break.

6 Undinia has shown good pace for the former trainer but has been even improved for Daniel Redén. She is developing well, is strong and can do it tough as well. **1 Oriana Boko** was one of the best fillies of her year last season and won the three-year-old elite during the Elitlopp weekend. A very exciting debut for Timo Nurmos here! **7 Panther D'Inverne** was one of the favorites in the StoChampionatet but was hardly at her best then. **8 Killimanjaro Face** has impressed as well in the bigger races of her year.

2 Nickel Occagnes has impressed for Bergh and was phenomenal last Saturday in the V75. In seven starts he has won five races and he was better than ever last time. Tight starts are a big plus for the five-year-old who should have a good chance. **9 Barn Ready** has the capacity and strength to challenge but could get a tough journey here and will not find it easy to beat our pick. **14 Bourbon Brodde** never gets tired and benefits from the long distance. **4 Lionel Mearas** scored an excellent win but was hardly at his best in the last Derby heat.

6 Kemper Boyd impressed two starts back when he finished fast behind winner Bright Star U.S. over the home stretch. Has high capacity and if improved he should have a good chance here. **1 Basic Structure** is very fast from the start and got locked in with energy left in a Derby heat. **12 Mellby Mammon** was too fiery in the lead in the last stayer race. This number suits the horse well. Uses to finish strongly. **8 Keep Go Gaaga** has been a bit unlucky. Finished with energy left in his heat to the Derby.
