7 Luna Barosso found room too late in the last race on Örebro and was not empty at the end. The three-year-old filly could score her first win here with the right journey. 4 Excellent Cash opened fast in the last run but galloped in the first turn. Could take revenge this time if she avoids a mistake. 2 Holy Mole has been consistent and good so far without winning. Nice number but has been a non-starter after the last run. Early contender anyway. 9 Asap Annie got locked in with energy left from behind the leader in the last run. Should not be overlooked here.

11 Myrsjös Timeout is in good shape and chases the third win in a row. In case of quick pace he could defeat all opponents at the end. 3 Airborn Magic scored a sensational win two starts back and looked nice. Good number and possible again with the right trip. 1 Furiosa is not bad and this number is interesting. She can open quite fast and has good place chance. 4 No Mare Z.A.R. looked very slow in the last run. Quick pace would suit the horse really well this time.

1 Global Deadline wins often but many victories were score in Estonia. Looked splendid in the last race on Hagmyren though. Has to be considered again. 7 Kate River scored a strong win two starts back. In the mix again here with the right journey. 8 Idoanythingforlove has galloped in the last two runs. Outsider if she avoids a mistake this time. 4 Västerbo Maharani comes from a victory and did a lot of work on her own. Fighting for top-3.

Ridden race. 2 Southern Mazzarati has done well during the whole summer and autumn and is our pick in this race where two horses are a bit better than the rest. 8 Country Sound is the main challenger. Galloped three starts back but has otherwise done very well under the saddle this season. 6 Capital Gain C.C. makes his debut in this discipline. Faces nice conditions money-wise and has to be followed behind our top duo. 3 Creek's Nu Love finished strongly in the last run and came closer and closer to the leader. Outsider.

4 Caabo LeVallo is our pick in this quite open race. He was second in the last run and improved and is well-drawn behind the gate. 12 Global Dependable is getting better and better. He was closely defeated in the lead in the last run and despite this number he is an early choice here. 5 In Face Smart is a bit better than she showed in the last run. Won easily on Visby three starts back and she should be in the mix here. 6 Timeforreflection is consistent and good. Did alright in the lead in the last run. Should not be overlooked.

4 Mitzy Gold was back in good shape again in the last run and scored a big upset. Had been competing a lot against tough opponents before that, so it was not that surprising. Our pick. 10 La Sassicaia was a non-starter in the middle of August and the form is a question mark now. Is good enough to finish to victory here. 12 Honfleur Mearas was a bit slow in the last run and has not been at her best so far for the new trainer. Should not be overlooked here. 6 Mission Beach faces nice conditions money-wise. Does not win very often but could cause an upset here with the right journey.
