12 Mazuocco Boko met good opponents in the last run and never had a chance from far back. Put in several nice efforts before that and is our pick in this open race. 1 Tug of War has found the lead in two starts in a row. Had done alright without being at his best. Is good for this class and can open fast. 7 J.S.Camaro is an interesting and well-bred gelding. Was not at his best in the last run but has earlier shown good capacity. 4 Hansi Gejs did not convince in the last race in Aalborg. Was good in a couple of races before that though.

7 Remember Me D.E. is a promising son to Maharajah. He has started the career well. Comes from a good second spot and met tough opponents two starts back. 8 Can Paixano is an interesting idea. Is a lot better than the latest results show. Got locked in with plenty of energy left in the last run against good horses. 1 Unique Wine found the lead easily in the last run. Won comfortably and looked nice. 5 American Standard has done well lately and finished fast in the last two runs.

10 Real Scotch galloped in the last start. Tricky number now. Without a mistake he is good for this class. Our pick. 7 Conrads Diderot challenged our pick on the home stretch in the last run but galloped shortly before the finish. Is not reliable but has good capacity. 9 Captor Delleselve started very well in Sweden but has not convinced lately. Had an energy left when he collided with another sulky in the last run. Is gifted. 2 Bowler Day is in good form and has a 20 meter advantage towards our top trio. Could cause a surprise.

4 Organzza uses to meet tough opponents. Can open fast and we hope she will reach the front here. Good chance in that case. 5 Marvellous Steel starts for the third time in Sweden. Looked nice in the last run and had energy left. Quick starter. 1 Classy Knox is a nice mare who has competed a lot in the V75. Can open fast but has got a break before this race and will probably get a journey from behind. 9 Chanel Trio is gifted. Uses to get tough runs and that could be the case here as well. Comes from a very nice performance.
