8 Langlands Hövding has had a strong four-year-old season for new trainer Tjomsland. He was second in the Norwegian Derby and has scored two nice wins after that. Is developing well and has top chance here. 7 Bäcklös Faron is very gifted and has one run under his belt now after injury. Should be improved and is interesting here. 9 Soldhöjdens Drake challenged the favorite in the last run and has become more reliable. Is driven by the trainer here. 4 Tangen Svenn is consistent but meets too good opponents here.

1 Tangen Frikk has seven wins this year and has convinced a lot in Sweden too. Is tough and likes quick pace. Good chance to win this. 9 Tekno Jerven is good enough to make it to the elite. The five-year-old has came back really well this autumn. He can finish very fast. 3 Grisleprinsen G.L. uses to be in the mix and has been at least second in 13 out of 20 starts. Has met strong opponents and is tough. 6 Tangen Töff is reliable and consistent. Could find the lead with this number.

2 Flybywire won easily in the lead in the last run and was improved. Likes to run this time of the year and faces nice conditions here. The horse to beat. **10 Oryx Håleryd** has two wins for Ulf Ohlsson and won without being empty in the elimination heat. Can do it tough. Early contender. **3 Maybach W.F.** is a three-year-old with the right attitude. Put in a good final lap in the last run after a poor start. Should not be underestimated. **14 Ultimate Brodde** has galloped in both starts for new trainer Robert Dunder. Is fast enough to challenge.
