2 Ramzes uses to meet tougher opponents and handles this weight. Should be considered early over this perfect 1200 dt. 6 Desert Dust comes from victory on Örevoll. Won over these circumstances this day last year and is an early choice. 5 Spoonful Of Sugar has been at least third in nine out of ten starts and scored three wins over these conditions. 7 Romanée found the distance a bit long in the last race. Showed good form over this 1200 dt two starts back. Possible.

2 **Mystery Night** has five wins in six attempts on the Jägersro dirt. Should have a good chance but this longer distance is a question mark. 7 **Scarlett** is the title holder in this Jockeyklubbens Avelslöpning. Showed good form in the last Luca Brasi Cup and was second to Seneschal. 1 **Una Matina** comes from a well deserved win in a Golden Handicap. Stood this distance last year when she was second in Oaks. 3 **Brunello** has scored two convincing wins in Denmark but faces tougher conditions now. Typical outsider.

3 **Beckham** comes from a strong effort over these conditions and was second to Moon String. Better number today. Our pick. 4 **Footfall** was third in the last race and close to Beckham. Faces better weight towards the latter one today and this apprentice is gifted. Main challenger. 9 **My Poet** is not bad but a bit up and down. Was fourth in Kriteriet last year on this track. Could cause a surprise. 6 **Deadline Day** has not convinced this season but put in a couple of good efforts over these conditions. Always an outsider.

4 Zidane has scored a couple of very convincing wins and should be even better now. Our pick in this Kriteriet. 3 My Fortune was second in the Danish Kriterium and won the Danish version of Vinterfavoriternas in the race after. Possible if he handles the Jägersro dirt. 5 Trickstar scored a very convincing victory in the debut. Is probably the second pick of the stable but possible anyway if improved. 1 Chelsea Morning is the trainer pleased with but the horse has not been successful so far. Could cause an upset over these new circumstances.

3 Plantstepsdream scored a very strong win in Peas And Carrots Mile over these conditions. Top chance with this nice number. 8 Pusjkin is good for this class but this number is tricky and he would have preferred 1730 dt. The only real challenger. 9 Röde Baronen has been improved as a four-year-old and these conditions suit the horse well. An outsider. 1 Weltruhm is in great shape and these circumstances are perfect. Could cause an upset.

This shorter distance suits the horse well. Challenger. 7 El Chapo was suddenly improved in the last race over these conditions and came in second just closely defeated by Dressforsuccess. Possible. 1 Primacor showed great form but has been a non-starter. These circumstances are perfect. Early contender.
