1 Silke Sjarmör has done alright a bit behind the winner in the last two starts. Much better conditions here and the horse is likely to be in the lead. Once there he will be tough to pass. **5 Storm Annsгал** faces quite tough conditions in this race but is strong. Possible. **2 Elite Stjernen** is not reliable, but has good capacity and is really good when at his best. Challenger. **3 Järvsö Karin** doesn't win very often, but is not that bad for this class. Should get a good race from here.

6 Ture L.A. came back after a layoff in the last race and did alright as second from the lead. Will be improved by that run under his belt. Towards the front? Might give the lead away and go for the open stretch. **5 Harpy** is strong and tough. Galloped in the last race but is the main challenger anyway. **2 Natorp Bo** scored a close but comfortable win in the last race. Opens fast and has been consistent and good. **1 Even Steven** won after galloping in two consecutive starts before that. Finds it hard to hold the lead.

Probably on the way up. **4 Frenchy Boy** was clearly improved in the last race and is possible here too. **8 Son Of My Father** has a poor lane and is mainly a place bet.

Lane outside of the main rival but an early challenger anyway. **8 Milady Josselyn** can do it tough and should be followed too here. **2 Global Gaiety** gets a nice trip and is possible too.

5 Vinci Winner started his career brilliantly with three wins in a row. Gave a strong impression in tough company last time. Better lane this time and definitely one of the hot candidates. **3 Valla D'Campbell** was not at his best last time.
