11 Hell Of A Guy makes his debut, but is well bred and did well in his qualifier. Conrad Lugauer uses to have his horses well prepared and has a good chance despite this number. **9 My Precious One** was good as second in the debut behind a really nice winner, but galloped in the last race. **3 Golden Yolk** is making his debut here as a 4-year-old. Qualified well last year but has not convinced at all in three qualifiers this year. Has good speed but is not reliable at all. **7 Staro Tapdance** is not reliable but has good capacity.

3 San Donato has looked nice lately. Makes his ridden debut here and drops down in class. Has good capacity and Jonathan Carre is a top jockey. Debut under the saddle is of course a bit of a question mark. **6 One Moment In Time** likes to race under the saddle and is strong. Has to be considered early. **5 Gold From Heaven** has done alright and goes barefoot now. **4 Ajlexes Abraxas** is possible too in case of over-pace.

3 Griffons Wine galloped into the first turn in the last race but came back well and continued to show good shape. Likes to be driven by Örjan Kihlström and from a perfect draw he is the horse to beat despite quite tough opposition. **10 Fair Trade** is a real winning machine. Is a stable companion to our pick and the trainer's choice in this race. Tricky number though. **1 Chloe Broline** opens fast and got locked in with energy left in the last race. **11 Legal Eagle Sisu** needs some luck from a poor lane. Good shape.

9 Hopefully galloped in the last race but came back alright. Needs to be better this time but based on what the horse has shown in the first two starts he should have a good chance. **5 Philou Boko** has been really strong without winning. Perfect starting position here and reaches a good position. Challenger. **4 Crazy Mary** still hasn't won, but she has two run under her belt after a layoff and is coming more and more. Could be dangerous. **11 Magic** has not started for a long time and could need this run, but has good capacity. Possible with the right trip.

3 Emporio Broline has started his career promisingly with five wins in seven starts and has shown both good strength and speed. Got a tough trip outside of the leader in the last V85 race and finished fourth. Could find an early lead here and Patrik Fernlund is a good driver. **10 Run Riddle** showed good capacity this spring and he has a useful run under his belt, which should mean he is ready for a strong performance. Early choice. **12 Snabbchat** was a winner again last time and despite this lane he is fast enough to be in the mix here. **1 Nebraska Lobell** is capable but needs some luck as he will find it hard to hold the lead.
