Challenger. **2 Mr Spain** is the best horse in the first circle, but has not convinced at all lately. **5 Fralissa Ridge** has a run under his belt now, but has not impressed against tougher opponents.

6 R.K.Kiara galloped in the last race and is not completely reliable but had put in really good efforts before that. Good for this class. **1 Hervey Island** won from the lead two races ago and finished quickly in the last race. **3 Haylee Eagra** has three wins in a row and is in good form but full distance now is a minus and it doesn't matter if she takes the lead or has to race from behind. **2 Dorito Pellini** scored a good win over the long distance in the last race and is in fine form.
