Has been improved of late and is the main challenger to our pick. **4 Diamond Talk** sprinted clearly positively in the last race and with the right trip from behind, she will finish quickly again. **7 Mighty Girl** has galloped in the last three starts but without a mistake she could be in the mix here.

Nice starting position and without a mistake she could be in the fight for victory. **3 Ofelia** galloped in the last race but had put in strong performances before that. Doesn't win very often but definitely has the speed to be in front. **5 Björnum Oda** won three races in the first part of the year but doesn't seem to be in the same form now.
