V4 ATG

RACE 1 — V4-1 — Auto 2100

10 Simb Rooney is our pick in this very difficult race. He earned the most money last year and has faced tougher opposition towards the end than today's. Anders Svanstedt drives. **4 Bradbee** was a good runner-up in August and is our favorite for the lead in this race. Many open races have been won from there. **2 Hidden Dragon** can also open fast and should get a nice trip from here. Has taken three wins this year and earned the most money. **12 Massai** surprisingly won two starts back and did well from far behind in the last race. Difficult number of course but should be considered early.

RACE 2 — V4-2 — Auto 2100

7 Maasai Bråten is our winner in this weak race. Was third in the last race in a good time and just closely defeated. Driven again by Roy Atle Ruud Nilsen and could get an offensive trip. **9 Roy** has not impressed of late but is definitely good for this company. Has won two of ten races this year and earned the most money. Early choice. **10 Staro Savile Row** galloped straight away in the last race but had done alright before. Definitely one of the better horses in this race and is now driven by Anders Svanstedt. **11 Bank's Crown** was second and third in August with today's driver Saga Laursen. The horse has not won yet after 33 attempts but is good enough to be in the mix.

5 Rocket Queen had a really good season last year and won from the lead in May. Can open fast and has done alright towards the end. Gets the tip. **11 Peter Tooma** has not won for a long time but comes from a second place and is an early choice together with Fredrik B Larsson. Hopes for quick pace from here. **8 Speedy Vici** is one of the better horses in this company and was third in the last race against better horses than these. Tough lane but has to be considered. **4 Amazing Nag** was fourth in a slightly bigger race last time. Is a quick starter and our favorite for the lead. Contender.

7 Florenz G. won eight out of ten races last year. He has earned the most money this year and comes from a third place behind Supercharged. Is Sybille Tinter's choice. **12 Champus** is one of the better horses in this race and was second at this track in August. Barefoot now and that is an advantage. Should be considered early. **8 Expensive Jewel** was third together with today's driver in June and comes from a good third spots. Will face a bit easier opposition this time. Contender despite this lane. **11 Makes Me Credit** is a Finnish horse making his debut in Sweden.
