**5 Wanderlust Pellini** won last time from the lead and Per Nordström certainly goes for that position again. If he succeeds, they should have a good chance to win. **10 Gustav Simoni** would certainly have preferred a lane in the first line. His latest wins were scored from the front but he is also good from behind. **1 Localizer** has earned the most money this year. Can open fast and has a nice lane. Will certainly get a good trip. **4 Amazone O.C.** comes from victory and seems in good form. Good draw and should be considered early behind our top duo.

**10 Canali** comes with two straight victories. Prefers to run in the front and he probably won't get there now. Still our pick in a very tricky race. **7 Deal Done Zet** made his debut for Ken Ecce in October and won directly from the outside of the leader. Not as convincing after that but is a quick starter and should be considered. **4 Al Pacino** is better than the latest results show and our favorite for the lead. Could cause a surprise. **8 Kendall Jackson** makes his debut for Kolgjini after a long pause. Faces the best conditions money-wise but the chances are a bit hard to predict.

## RANK

**10 Natorp Bo** has done well this year. Won second last at Åby and has a good chance to win but still needs some racing luck from here. **3 Stenson** returns after a short break. Is a quick starter and our close favorite for the lead. From there he is the horse to beat. **9 Frodo Cash** is worth a warning. He beat good horses in Denmark last time and sprinted to a nice victory ahead of, among others, Emoji. Early choice. **4 Yuvaraj** gave up from the outside of the leader last time but was brave second last. Can win with the right trip.

**4 Frodo Baba** was driven by Marcello Vecchione last time and it couldn't have ended better. Took the lead and won easily. Aiming for a repeat here. **7 Epicure D.E.** also comes from victory. Had had a good season but this lane is a bit tricky. **9 Vanquish** scored a good second spot together with Adrian Kolgjini second last. With the right trip, they will be in the mix again. **1 Harald Derm** faces tough conditions money-wise, but he is good for this class. However, he has not competed since March of this year (when he won by the way!).
