**3 Harald Derm** is a quick starter and should be able to find an early lead from a perfect starting position and then the six-year-old will not be easy to reach. **9 Forever Yours** lost a bit after a quick finish in the last race. Good for this class and is one of the main challengers to our pick. **2 Intrigante** has really been improved towards the end and is in top form. Should not be underestimated from a good starting number. **5 Kalithea** got a bad start last time and we forget that race. Normally in the mix.

In the fight for victory. **8 Charmant Dream** has not started since July, but this is a good horse who should be considered right away despite the lack of races. **11 Nunchita** finally won in the last race. Difficult draw but she should be followed with the right trip.
