6 Oliveira Bros earned the most money last year and should have a good chance here. Won despite a gallop two starts back and finished nicely in the last race. **7 Gubbe Game** is mainly strong and quick pace would be an advantage. Has been very consistent and good lately. **2 Julius H** has galloped lately but is otherwise good enough to fight for victory behind the favorite. Nice draw. **3 Hope For More** comes from a surprising win and should not be overlooked again here.

4 Haps is our pick. He galloped in the last V75 race but scored a good win despite galloping before that. Normally a good chance. **6 Happy Ice** is a tough challenger though. Is consistent and took two wins in a row in October. Came in sixth in the last V75 race. **5 Going Joe** faced tough opposition in the last race. Before that he was heavily backed and did alright without winning. **3 Go Go Flex** won at this track in September and could be a place bet here.

8 Defender Grif is exciting here in his debut for Steen Juul. He comes from two V75 races at Jägersro and did quite well there. Poor draw but easier horses now. **7 Ginger Peach** is a good opponent though. He has shown excellent form of late and is challenging. **4 Gabriel Cross** has also done well lately. He has a better draw than our favorite duo and could take the lead here. **9 Futteflagfis** is coming off a win but faces tougher opposition this time. Place bet.

RANK

4 Koogoo Gaagaa was second in the last race after a pretty tough journey. He took two wins in a row before that and should have a good chance of scoring another victory here. **3 Kew Gardens** was second behind our winner in the last race and is looking for revenge. Very early choice. **5 Igor Nordic** was a bit unlucky in the last race but had done well before that. Has to be considered behind our favorite duo. **8 Kilkenny** has also done well at the end but is poorly drawn and this new driver is a question mark.
