6 Oppgårdsträngen scored a good win at Bergsåker and is one of our best cold-blood horses, but was clearly defeated in the last race and not at his best. Normally a good chance. **4 Tekno Jerven** has great capacity when he avoids a mistake and he easily beat our pick when scoring the last win. Too fiery in his comeback last time. **3 Soldhöjdens Drake** is also a bit up and down but was nice at Östersund and first bike now. **8 Stumne Fyr** is good but does not seem in top form.

Very quick starter. **3 OMKeep On Runnin** has made three starts under the saddle and is getting better and better. Won from the front in the last race under the saddle. **11 JJ Snowstorm** won his debut in this discipline and is ridden by Carré. Tougher now.

Mats Djuse now, but this distance is a question mark. **4 Kiss My Feet** has not impressed a lot but is working well and has a new bridle now. **5 Power Of Greenwood** did not convince in the last race and has been a scratch. Offensive trip now. **13 Espri Vendil** showed great pace in the last race but got defeated at the end. Speedy. **5 Super Queen B.S.** has shown both good speed and the right attitude but is making her debut in the circular start.
