**7 Kit Crown** reached the front in the last race and won easily. The filly likes that position and has taken ten of eleven wins from the lead. Good chance. **5 Never To Young** is good for this company and can do it tough. Better distance now than last time and should be seen as the biggest threat to our pick. **1 Reshevsky** doesn't win very often but is good for this class and shouldn't be discounted. **3 Viva La Vida Face** is gifted but his current form is hard to predict.

**8 Fausto Jet** is gifted, but not always reliable. In terms of capacity he is the best in this race. Good chance without a mistake. **4 Emerald Broline** won straight away in the debut and followed well in the last race as third despite a punctured sulky. In the mix. **2 Xanthis Kaiber** comes back after a pause and although the form is hard to predict, the four-year-old should be followed. **10 Electric Grace** has not started for a few weeks but has shown before that she is an early contender in this type of race.

**7 Champus** galloped over the home stretch in the comeback with energy left. Gets an offensive journey and from the lead - where he is unbeaten after two attempts - he will be hard to defeat. **2 Perez** put in a strong final lap in the last race after a gallop. Doesn't win very often, but uses to sprint strongly. **3 Miljanou** has two runs under his belt and is starting to get close to top form. Can open quickly and will reach a good position. In the mix. **8 Mason Pace** got locked in with energy left in the last race and is in better form than the results show.

**3 Brilliant Kid** finally won in the last race after several nice efforts before that. The five-year-old is fast behind the gate and likes to run in the lead and should he manage to get there, he is the horse to beat. **4 Chevalier Indika** is also a quick starter but is mainly aiming for a trip from behind. Finishes strongly with the right trip. **5 Mellby Merry** maintains her nice form and will score a victory soon. **8 Livin High Sisu** looked nice but got locked in last time but now has a difficult starting position.

**4 Lacazette** is back after a pause and there are of course question marks about his form. However, he has the potential to win this race and is our pick. **9 Maggie May Malt** put in a strong finish two starts back.
