6 AV's King Street has been at least second so far. Debut behind the gate here. Should be considered early again. **9 Lady Nova** is a fresh three-year-old who is now meeting older horses. Tough to win but is very promising and she should be counted. **10 Heidi Halbak** sprinted fast last time after a trip behind the leader. With the right journey she will fight for victory. **2 LO Flamingo** got a tough journey on the outside of the leader last time but followed well as second.

4 Henessi Bordeaux has not started since November and the form is a question mark. Owns good speed and should be considered directly in this seasonal debut. **2 Wildest Dreams** ended last year in a nice way. Has now been drawn to a good lane behind the gate and has to be followed directly in this seasonal debut. **3 Mamie's Future** is speedy and did alright last time. Nice draw and early choice. **6 Rockin Honey** looked to be heading for victory last time but gave up the last 100 meter.

3 Hauan Saga has been at least second so far. Last time she got a tough journey on the outside and gave up at the end. We believe in quick revenge here. **5 Briskeby Fryd** was fine in seasonal debut and is probably even better this time. First challenger. **8 MPlexus** came back strongly last time after losing a lot on a starting gallop. Early challenger with the right trip. **6 Solan RS** finished with energy left last time and should not be overlooked with the right journey.

5 Sharp Looking has now got a run under his belt after a layoff. Opens quickly and we think Tom Horpestad drives offensively and leads this race for a long time. **8 Big Bonus** showed the right attitude last time and fought well. Handicapped by difficult starting lane here. Early contender with the right journey. **12 Mustang Valley** sprinted fast last time. Better with the race. Should be considered despite this difficult starting lane. **2 Jan Alki** has three runs under his belt now. Quick starter and gets a nice journey.
