4 Eddy West was not at his best in the last race. This is a nice five year old who faces good conditions here. Banker. 9 Bear Hope has a couple of races under his belt after a pause and he should be on the way up. Tricky number here plus a handicap. 5 Got to Dash finished well to a second spot two starts back. With the right journey he will be in the mix here too. 13 The Lucky One resumes from a short break. He can finish strongly and is an outsider with the right trip from the back.

3 Rive Sjur faces tough conditions money-wise but this task is interesting anyway. Nice number and likes to run in front. Is on the way up too. 6 Läckra Lisa has good speed but she needs some time to find her rhythm. Can finished strongly and could go around many opponents on the home stretch. 4 Mine Lotta prefers a defensive journey and can finish fast then. Could get a nice trip with this number. Contender. 9 Kajsas Ture is consistent and good. This distance is an advantage compared to the last one.

13 Eagle Hall made his comeback after a long pause in the last race. Got a nice defensive trip and had energy left from second on the outside. Should be improved a lot and is our pick. 8 Modern Times came back well after an early mistake in the last seasonal debut. Has good speed and will fight for victory but needs some racing luck with this number. 4 Birbone O.K. resumes from a spell. Is chasing the first victory and uses to open fast with the circular start. Has to be followed. 12 Raja Knight got a tough journey in the seasonal debut. Should be improved by that run.

1 Ailiphilia has met tougher opponents in the V75 lately. Has done alright and faces easier horses now. Our winner. 2 S.G.'s Accenta scored a good second spot last Wednesday after a nice inside trip. Is well drawn behind the gate and should be considered early here. 4 Dear Matrix can open fast and will probably find the lead here. If she will be allowed to dictate the pace she is an early choice here together with Magnus A Djuse. 6 Paris by Cash has been a bit unlucky lately. She can do better and should not be overlooked here.

4 Cruise got a bad start in the last race and got a trip from far back. Looked nice a bit behind the winner and has got a better drawn now. Will soon score the first win of the year. 5 Mooney did well despite a back row draw in the last race and finished strongly. Is consistent and has got a better number now. Has to be followed. 7 Grevin Sisu got locked in with energy left on March 5 and comes from a well deserved victory. Is possible again here but needs some racing luck with this number. 3 Frequency Am set a new record in the last race and the Markus Svedberg stable is in good shape.

10 Jaguar Dream was outstanding in the lead in the last race. Tricky number now but faces quite easy opponents and should have a good chance anyway here. 4 Short in Cash makes his debut over the short distance in his 29th start. Comes from a winter in France and has the right attitude. 9 Deep Pockets has been a non-starter twice for his new trainer. The form is a question mark but he is good for this class. 7 Ural has a couple of runs under his belt. Never got a real chance in the last race but needs some racing luck here.
