He is not completely reliable, but without a mistake and with a similar performance, he should have a nice chance to pass all opponents. **1 Guldhagens Oscar** could find the lead here, where he likes to run. Could find it hard to beat our pick, but is still a strong challenger. **5 Mjölner Borken** is speedy and an early choice too behind the favorite. **4 Keiser C.K.** is coming back after a break but has good speed.
