6 Chestnut got a very tough journey in his return to Swedish soil last time and the horse shouldn't be blamed for that effort. He faces perfect conditions here and should have a good chance. **7 Preacherman** has been matched against the best horses of his year and done very well. He is 20 meter behind horses of the same class. Tough task, but still the main challenger. **2 Huit** is really good every now and then and puts in really strong efforts then. **4 Pretty Be Linda** made her debut for Per Lennartsson in the last race and was clearly good as fourth.

9 Najade Quesnoy started her career with a win and the Mattias Djuse stable is in good shape. Top chance to score another win. **6 Hadahaa** is extremely well-bred. Has had a lot of attention without showing that bit extra so far. On the way up. **1 Malcko De Marsac** doesn't look very fast so this inside lane could be a trap. Possible behind the favorite. **10 Good Business** is not that bad for this class but he has been not reliable at all.

9 Olympia Sting has developed nicely lately and seems in great shape. Will finish strongly. Early choice. **2 Fabulous Gent** is the horse that many have been waiting for and he has also made nice efforts lately without winning. He is strong and all-round, but does not always trot perfectly. **1 Occam's Razor** was match in quite good company as a 3-year-old. Still hasn't won yet, but that is only a matter of time. **8 Sandysoul** did alright as second in a easy company in the last race. Possible with the right trip.

2 Xanthis Joojoo is our pick in this wide open race. Looked nice in the seasonal debut but collided with another sulky when advancing. Barefoot and Jepson now. **1 Who's That Girl** was matched against good horses last year and did really well. Perfect draw and barefoot right away. **8 Tactic Lane** is really good every now and then. Is up and down and a bit special. Can do it tough if she is at her best. **4 Parma Di Quattro** made quick money as second in the last race. Opens fast.

4 Farrokh Bulsara made his debut for David Persson in the last race, but galloped. He usually starts quite fast. Our pick in this open race. **6 Humble Malt** has shown that he can do it tough. Should be considered. **12 Mustang Norrgård** is perhaps the one with the best capacity in this field, but he needs lots of luck from this starting position. **9 Ghostgirl** has a run under his belt after the winter training. Barefoot behind is an advantage and she has got an interesting lane for a defensive trip. In the mix.

3 Mix The Booze is capable. Has made three starts for Björn Goop and done alright. Has got a training period and the horse will be interesting to follow. Early contender. **1 Loudandclear Sisu** scored a good win despite a tough lane in the last race. Much better starting position this time. The main scenario is that he gets a nice trip behind our pick. **5 Fabrizio J.H.** is matched in the V85. He is strong and can do it tough. **9 Gotti** met strong opponents in the last race and did alright a bit behind the winner.
