## RANK

**9 Horg Blessen** faced too tough horses in the last race but scored a good win at this track in February. Tough handicap as a gelding but our pick anyway. **5 Maj Mollyn** is consistent and had a pretty good season last year. Returns after a layoff and can open quickly. Our close favorite for the lead despite this tricky lane. **1 Järvsö Karin** is one of the best horses in this race and ended last season in a really good way. Good lane in her comeback here but not sure where the horse will end up. Early choice. **8 Frivoll Faksen** did quite well last year and won a GS75-race with Björn Goop in December. Has two runs under his belt now and is one of many contenders in an open race.

**5 Minna Jaam** gets the tip in this weak race. He is Jonas Moberg's choice and has started quite well. Nice draw and our favorite for the lead. **10 Go Steed** is driven and trained by Björn Goop. He was second at Åby in the seasonal debut and has to be considered very early on. Quite tricky number though. **4 Love Me Sjöhammar** is a stable companion to our pick Minna Jaam. He was second from the pocket in the comeback last time and is driven this time by Petter Karlsson. **12 Anna Crowe** actually won her only race so far but that was from the lead in July. Has had a long layoff and this number is poor.

## RANK

**9 Viral** has done really well this year. He started with two wins in a row and comes with two good third places. He faces fairly easy opposition and should have a good chance despite this handicap. **1 Alastair** has a nice task. Björn Goop will certainly take the lead here and is an early contender if he is allowed to set the pace. Challenger. **8 Malone** was completely superior to score his first win in the 17th start at Momarken. Finished quickly to a second place at Bjerke last time. Early choice. **7 Rio Fri** faces nice conditions money-wise and put in two pretty good efforts in November, as first and second. Not at his best last time and has got a break. Jepson now!

**5 Mellby Legacy** has a nice task here. Björn Goop's horse has faced better opposition than this and done really well. Seasonal debut but we expect her to be well prepared. **6 Cabin Pressure** won a V85-race two starts back and finished fourth in the final. He also returns after a pause but should be considered early behind our winner. **3 Nikki B.R.** is a very quick Norwegian guest who won at this track in January. Has had poor numbers at the end but is in a good position this time. Driven by Rennesvik now. **4 Sommarflörten** is also a very quick starter and he won directly from the lead in the last race at this track. Run under his belt now and should be even better.
