2 Custom Captain won five races last year and earned the most money. Has not been on the podium yet this year but in this weak race he should be considered early. **6 Lucky Luciano** has only one win in 26 starts but did quite well last year. Is a very early choice in this race. **1 Lee Arc** has not won yet after 21 attempts but this looks like a perfect task. Has a 20 meter advantage and will certainly take the lead. **8 Korsico Decoy** has one win in 38 starts but did well as second in the last race after a journey partly from the outside of the leader.

2 Valentina took a comfortable win at Färjestad in February and comes from a good third place. Has an excellent lane and is our pick. **3 Moni Honey M.V.** did well last autumn and is now returning after a longer layoff. One of the best horses here and has to be considered straight away. **7 Clyde** has also had a long break. Has won two out of six races and is possible straight away if well prepared. **1 Merles Classic** has only one win in 19 starts but comes from several good efforts. Will probably get a nice journey from here.

1 Hage Prinsessa galloped shortly after the start last time but has otherwise put in several good efforts this year. Has a perfect task here and we hope she leads this from start to finish. **2 Herlig Oda** is the main challenger. Was second in her debut for a new trainer last time and should be improved by that run under her belt. Could get a perfect trip behind the favorite. **4 Mai Sola** won two races last year and she has also made one race after a long layoff. Outsider. **5 Helmin Silva** didn't compete last year but has come back well this season. She faces a handicap but could surprise.

6 Sjöli Spikern is not reliable at all but has shown very good speed for this class. Took three wins in a row despite gallops in February and March. Good chance. **7 Brazze Blizzi** has started well with two wins in four starts. She galloped twice in the last race but is an early choice if she avoids a mistake this time. **8 Skauge Martin I.H.** has also started well with two wins in five starts and is possible with the right journey. **1 Balder Irma** had a material problem last time and we forget that race. Finished well to a second place two starts back and has a nice lane now.

7 Langlands Ballerina has been matched in much tougher races lately. Is good for this field but unfortunately not reliable. This starting method should be a big advantage. Our pick. **6 Mjölner Ty** has raced a lot in Sweden lately and done well. Won four of twelve races last year. Early choice. **5 Grislegutten G.L.** was fifth despite a gallop in the last race and put in a good effort. If he avoids a mistake this time he should be considered early. **2 Vina Af Sola** was second from the outside of the leader in February. Has been quite consistent towards the end and got an excellent lane. Outsider.

7 Clubber Lang earned more than half a million Swedish crowns last year and is much better than the latest results show. The form is a bit of a question mark. Still our pick here. **4 Kong Du Dalm** faces very nice conditions money-wise and he is also better than the results show.. Early choice in this field. **6 Gimmefive Ravin** is worth a warning. The horse has been locked in lately and looked really nice. However, he has only one win and nine second places in 23 races. **2 Thai Mississippi** was second from the lead two races ago and has an excellent lane here. However, has been a scratch due to fever after the last race.
