1 Awesome Kronos has shown that he can open fast and with this perfect number he will certainly try to lead this from start to finish. 5 Suarez started slowly for trainer Robert Bergh but scored a couple of wins in a row after that. Was not as good after that but is back on track now. 3 M.T.Oscar has not won for a while but uses to meet tough opponents. If he avoids a mistake here he is possible. 2 Conrads Massiv has three runs under his belt and is on the way up now.

1 Kicki Lagö is one out of two Conrad Lugauer trained horses in this ridden race. She likes lina Aho and is our pick with this perfect number. 8 Restless Heart belongs to the same stable and should be considered early as well here. This number is not as bad in ridden races as in sulky races. 4 Barnacle has not won for a while but the horse is a lot better than the latest results show. Has to be considered. 2 Vakse Viggo is a Danish guest who is interesting here. Is ideally drawn here.

3 Gaie des Brumes is promising and could score the first victory here. Has a good chance to find the lead but should have top chance regardless the journey. 1 Sandsjöns Arras makes his debut for a new trainer after a pause. The chances are not easy to predict but the horse is certainly well prepared. Should be considered directly. 2 Danilo H.B. finished well to a second spot in the last race and showed good form. If he handles this number he is possible here. 6 Digital Races has two runs under his belt and is on the way up too.

5 Global Best Lover has three runs under his belt and with this nice number behind the gate the horse should have a good chance to win this. Our pick. 10 Chased has not convinced lately but he has good capacity. Back row draw but with some racing luck he should not be overlooked here. 8 Evolution on Track comes from Denmark and is in good shape. Tricky number but early contender with the right trip. 7 Wild Jupp can open fast and should reach a nice position despite this number. Should not be discounted.

1 Alfas Kennedy is the only horse in the first circle and will of course take the lead here. Could lead this throughout. 7 Tony Afrika galloped after 600 meter in the last race but came back well to finish second. Is in good shape. Early choice. 10 Arnie Express has one run under his belt and is certainly a lot better now. 9 Zizou is up and down and the chances are not easy to predict. If he is at his best he should not be overlooked here. Typical outsider. Warning.

2 Tae Kwon Deo never had a chance from far back in the last seasonal debut. Is certainly better now and this number is perfect. Should normally have top chance to win this. 9 Shocking Superman is on the way up too. Back row draw here but with the right trip he can certainly challenge the favorite. 5 Master Crowe has not won for a while but put in a couple of good efforts and is in fine form. Early contender behind the favorite. 3 Lucifer Lane won in the comeback but was not as good in the last race. Should be followed too.
