1 Donners Am scored a very good win under the saddle in November over the middle distance. He likes the long distance and with the last Östersund race under his belt he should have a good chance here. 6 Balzac du Chatelet got a poor journey in the last run and we forget that race. He has two races under his belt now and likes this discipline. Should be followed. 3 Weekend Fun has run three races under the saddle. He won directly in the first one after a good finish and should be considered early if he is at his best. 4 Perfect Dynamite was good in the last race and should be followed as well here.

1 Digital Pen has won one sulky race and that was on Solvalla last year. The horse has shown good strength but he has galloped a lot in sulky races too. He made his debut under the saddle in the last race and avoided a mistake and won in the lead. 2 Imakemyjokes won comfortably in the last race when he scored the third win in a row. He is undefeated in this discipline after three performances. 15 Alviano has avoided a mistake in four ridden races this year and scored three wins and a second spot. He is strong and will go around many opponents here. This number is tricky though.

1 Tricky Treat has put in several good efforts lately and handles this short distance well. Faces much easier opponents than in the last race and we think he has a good chance to score the first win. 6 Lastsundayinmay is eleven years old and the oldest horse in this field but he has done well in both races this year after a layoff. Should be considered. 2 Bazinga Cheri has had numbers directly behind the gate when scoring the victories this year. The difference now is that this is the first start under the saddle. 4 Berra Bus can open fast and should not be overlooked.

5 Don Viking has won the last four races under the saddle. He has developed well the last couple of seasons and is our pick here. 7 B.W.Sture has won three races under the saddle and been second on two occasions. He got defeated by Don Viking at the end in the last race but could take revenge directly if he is at his best. 1 Bonaldo has scored three wins in this discipline. Faces better conditions this time since Don Viking and B.W.Sture got a 20 meter handicap now. Possible. 3 Tand Kraft is a contender too behind our top trio.
