7 Super Zantos was sixth in the last run and did alright and he uses to meet tougher opponents than these. He has not won for a while but is our pick here. 1 Sister of Mercy has earned less money in this race but will get a nice journey here and should fight for victory then. 4 Ribaude uses to keep up the pace alright and faces mediocre opponents here. Will normally be in the mix. 6 Vacqueyras can open fast and if he stays calm he is possible in this poor company.

11 Järvsömalla is the best horse in this company. He has not raced since January but should have a good chance if he lives up to his capacity. 6 Tim B. resumed from a longer spell in the last run. Could be improved now and will lead this for a long while. 1 Vilgot Frej looked quite nice in the seasonal debut and with this nice number he should not be discounted. 5 Klack Astrid has not impressed in both starts this year but can do better than that.

1 Stop the Count is not reliable and galloped in the first turn in the last run. Did alright after that and if he avoids a mistake this time he should have a good chance. 2 One Bullet put in a good seasonal debut in the last run and should be improved now. Early contender. 3 Makeupyourmind was third in the last run and did alright. With the right journey he could fight for victory this time. 15 Excellenzen was not at his best in the last run. Outsider now with the right trip from the back.

9 Pretty Primadonna does not win very often but is consistent and has got a nice number for a defensive journey. Our pick in this mediocre and open race. 12 Many Behind has not convinced in both starts this year but can do better than that. Normally she will defeat many opponents despite this number. 8 Billie Holiday did alright in the last run after quite a good finish during the final lap. Should not be overlooked but needs some racing luck with this number. 2 Jacara du Pont is better than the latest results show and is one out of many outsiders in this race.

8 Art Brown was not very successful last year but has a strong season in 2021 as a four-year-old. The form is a question mark. Good for this class though and our pick anyway here after a layoff. 7 Bang Boomerang showed good form in the last run and won over this distance. He is an early contender behind our winner. 5 Zidane D.E. never found room in between horses two starts back and had energy left at the end. Has earlier won over 2640 meter and handles the distance well. 10 Maple Hill's Eto'o has place chance here with the right journey.

2 Solkattens Star won directly in the last seasonal debut. Found an early lead and dictated the pace. Will probably get a similar journey here. 13 One Night Only is consistent and was defeated after a photo finish in the last run. Handicap and back row draw but main challenger with the right trip. 11 Vivacious got locked in on the inside with energy left two starts back. Could cause an upset here with a better journey. 3 Ace Gio Gar has not convinced lately and can do better than that. Outsider.
