11 Lumberjack Bros has a very good task in this really cheap race. The horse hasn't won in a long time but should have a good chance to pass this field. Could be a banker. **12 Fosbury Zet** also has 20 meter handicap and is the main challenger. Made his debut for Eklundh last time and finished decently. Certainly better now and meets quite mediocre horses here. **6 Grimfrost** is not a superstar and has not won for a while but is favored by this draw and Peter Untersteiner is quite exciting. Certainly tries to find lead and could surprise. **5 Our Pleasure** is quite consistent without impressing too much. But he is now driven by Carl Johan Jepson who is better than ever. Could cause an upset.

8 Mamie's Survivor is a Norwegian horse making his debut for Robert Bergh here. Won six out of 13 races last year and no other horse can match that here. Comeback but certainly well prepared. Should have a good chance right away. **6 Heavenly Flower** has not been empty in both races this year. Should be on the way up and surely looking for the lead with this draw. Has to be considered from the front. **5 Stensjös Pierh** came back really well last time and seems to be in good form. Wants revenge here and is driven by Peter Untersteiner this time. A bit tricky draw. **4 Silver Kornell** has got a rather difficult number. Has done pretty well at the end and can be a shock bid.

10 Global Delayed won five races last year and is probably the best horse here. Comes from a good second spot and with the right journey, Peter Untersteiner should have a good chance. **12 Notorious Zon** hasn't competed since Christmas and the chances are not easy to predict. Met better opposition than this then. Probably barefoot now and should be counted early. **6 Västerbo Voodoo** faces quite tough conditions money-wise but has an interesting task here with this number. We expect an offensive Robert Bergh and they can lead this for a long time. **7 Effective** is quite consistent and good and could get a perfect inside trip from this draw. Possible but needs a bit of luck.

2 Perfect Score Ås won easily from the lead last time at Färjestad and if driver-in-form Carl Johan Jepson manages to reach the lead here, a lot is won. Good chance. **3 Walkyria WF** sprinted well last time over the home track and is the main challenger to our pick. She won from the lead at Jägersro in February. Dangerous from that position. **12 Pam Trot** was second after a nice run last time but has a completely different task now. A place bid but needs some luck. **8 La Paradeta** is not that bad but hasn't won for a long time either. Will probably get a defensive trip by Kevin Oscarsson.
