## TUESDAY, 13/05/25

**Summary:** AVENUE MONTAIGNE (2) is a solid choice here with her recent runner-up effort in a competitive Class 2 at Chantilly suggesting she's knocking on the door of a win. Her consistency and turf form make her the standout. RIYABOVKA (9) has been thriving on the PSF but has shown enough to suggest she can transfer that form to turf and should be taken seriously. EVER KATE (15) is improving with every run, and the hat-trick bid looks realistic if she continues progressing. AVERSA (12) has a light weight and consistent form, making her a prime each-way candidate, while UM WADI (11) adds value to wider combinations with some competitive efforts in similar company.

**7. ACHILEA CHOPE** - Unplaced on both starts, both Class 3 races, the latter over 1000m at Chantilly on April 14th. Tries this distance for the first time and the drop in class is a positive

**8. ADORA** - Two unplaced efforts so far, the latter over 1100m at Le Mans in a claimer on May 3rd. Opposable

**Summary:** LANDSCAPE (1) has performed well on both starts, the latter over 900m at this track in a claiming race when beaten in a photo finish. He should thrive over this extra distance and is preferred over ACHILEA CHOPE (7), who is also stepping up in distance. She drops in grade, which should be more suitable. GENERAL CHOP (3) has two placed efforts and offers solid each-way value. NABUCCO OF MOON (2) is also worth considering.

**9. AURA** - Unplaced last time, two placed efforts previously, the latter at this track when 3rd over 2100m on April 4th in a maiden race. Player

**Summary:** LIBYAN KNIGHT (3) has more than enough ability to win a race of this nature. He was a tad below par last time, but had solid placed form before that and should get off the mark. AURA (9) has two placed runs before her latest unplaced effort at Chantilly late last month. She can pose a threat, as can SAKHALINE (1), who got off the mark at Le Lion D'Angers last time and warrants respect. CARISHA (5) returns from a layoff, and if fit, she can be involved.

10. **ZLARA** - Unplaced on April 17th over 2400m in a Class 4 race, when in need of the race. She won previously over 2400m at Lyon Parilly on November 8th in a Class 3 handicap. One to keep onside
11. **MOOSBEERE** - Four unplaced runs since she won over 3000m at this track in a maiden race on June 4th, 2024. Has to bounce back to her best form to trouble some of these
12. **ONE POINT** - 4th on the last run over 2500m at this track in a Class 3 handicap on April 23rd. Capable but not the most reliable

**Summary:** VENTOSILLA (9) is a previous course winner last September over 2400m. She tries this distance for the first time, and her running style suggests she will stay the trip. She is given the vote ahead of SAPRISTI (4), who is also stepping up in distance. He has not raced beyond 2600m, when second at Fontainebleau last month. FLAMINGWAY (6) can have a say at the business end and is the each-way must. CAMERON (8) looks best of the remainder.
