RANK

10 Move Around took the lead in the last race and won easily with energy left. Good chance despite this tricky lane. **5 Hey You** finished strongly in the last race. Gets an offensive journey and is an early contender. Barefoot for the first time. **12 J.M.'s Caviar** has done well in three starts this year. Difficult starting position, but should not be completely discounted. **11 Kash Smart** can do it tough but is not reliable from the start. In the fight without a mistake.

RANK

8 M.P.Domino won in the last race despite a difficult starting position and showed that he is in top form. He faces quite easy opponents and will be difficult to resist during the final lap. **6 Eskils Oda** did well last time and if she performs at the same level now, she could be in the mix. **7 Eldar** is good for this class, but is not completely reliable. In the battle for victory without a mistake. **1 Bäckjerva** galloped in the seasonal debut. The mare has a nice starting position and if she is without a mistake, she should not be completely discounted.

8 Blacky Luca did alright in the last race but could not challenge for victory. Good chance from the lead or outside the leader. **10 Nightwish River** has won from the lead lately but faces a different task now. He is in top form though and could be in the mix. **2 Flora Lane** is a quick starter and should be considered if she finds the lead. Barefoot for the first time is interesting. **14 Jackpot** galloped straight away in the seasonal debut. Good for this class, but the form is hard to predict.

2 Dutchess Sun has now started three times after a break and is starting to get closer to top form. Good draw now and should have a good chance. **4 Robinhood C.A.** is an interesting horse who is making his debut for Petri Salmela. Hard to predict of course, but should be able to do well directly on Swedish soil. **8 Maybach W.F.** got a tough seasonal debut and gave up. Will be better now and should be considered despite this tricky lane behind the gate. **11 Beacon Kronos** is a bit up and down, but if he has a good day, he is possible in this company.
