6 Queen Rouge was undefeated during his four-year-old season and also undefeated over this distance in five attempts. New trainer in this seasonal debut but ordinary jockey. Top chance. 8 Eesha My Flower comes from victory in the stayer race Erik o Steens Memorial. Was ahead of Silent Night i Lanwades Stud Stakes over today's conditions and came in second behind Hatyea. Main challenger. 3 Ascot Brass got defeated a couple of times by top filly Silent Night as a three-year-old but scored a nice victory in Breeders Trophy Classic. Possible challenger. 4 Freed From Desire comes from a win on dirt but perfect this distance. Outsider.

7 Valence comes from victory over these conditions on Övrevoll. Handles this weight very well and scored a nice second spot behind Kick On in Arnfinn Lunds Minneslöpning last year. Our pick. 5 Everest Voice won 2000 Guineas on Bro Park as a three year old but met tough opponents after that. Faces nice conditions this time and should be considered early here. 1 Red Hot Chili got a tough seasonal debut in Pramms and was clearly defeated. Can do a lot better but turf is not ideal. The chances are not easy to predict. 3 Beach Road One has developed well this year but still has a lot to prove on this surface.

6 Kick On is the title holder in this Stockholms Stora Pris. Is ridden by top jockey Pat Cosgrave in this seasonal debut and should have a good chance to win. 8 King David was a couple of lengths behind Kick On in last year's edition and he has two races under his belt before this one. Possible challenger. 3 Match Maker is undefeated so far this season after beating King David on two attempts. Could be in the mix here with a similar effort. 1 Jazz Explosion comes from an impressive victory in Pramms. Early choice with a similar performance but this surface is a question mark.

5 *Could Be King* was one length ahead of *Es Raco* in a handicap in February during the Dubai-meeting and faces much better weight conditions in this Bro Park Sprint. Our pick. 14 *Brian Ryan* comes from victory in the seasonal debut. Is not always reliable tough and this post is really tough as well. Early contender anyway. 8 *Sarookh* likes these conditions on Bro Park and scored two wins in three attempts last year. Possible. 4 *General de Vega* comes from victory and is still developing. One out of many outsiders in this Vårsprinten.

9 *Or Harry* beat gifted *Good Fortune* two starts back with a good margin but did not convince in the race after in Danish 2000 Guineas. Was certainly not fit then and is our pick in this tight Swedish 2000 Guineas. 6 *Purple Ace* is still undefeated after six attempts. Scored quite a comfortable win in the seasonal debut. Early choice. 13 *My Jamil* did not convince in *Mowerina* but won Danish 2000 Guineas very easily in the lead. Possible here despite this poor post. 15 *HollywoodBoulevard* is on the way up and could cause a surprise if improved.

5 Miss Haven has scored two very convincing wins so far and the change of surface and distance should not be a problem. Our pick in this 1000 Guineas. 2 Voix d'Amie comes from a good seasonal debut and scored last year's two wins on the Bro Park turf. Early challenger to the stable companion. 11 Marshi comes from a convincing win in Mowerina after a strong finish. Possible. 6 Iron Butterfly did alright in the seasonal debut and was second to stable companion Donna Devarona. Should be even better before this task and is ridden by Pat Cosgrave here.
