RACE 1

ROSIE LOVEKIN-DRURY CONDITIONAL JOCKEYS' HANDICAP HURDLE (4) 4yo+ (Rated 0-110) £9,000 2½m139y (4150 Metres)

Going: **Good**

Right handed, sharp with minor undulations. Generally favours nippy types (though the ground can get testing), plenty of races being won by those who quicken best on the run to the first obstacle in the home straight. Easy fences, with the downhill third last catching out fewer than used to be the case.

Pace Information: **Weak**

1	THANK YOU BLUE (9) (D)	96
	FP1135-4P 8 12-1 76.7kg Jennie Candlish Dual hurdle winner but hasn't looked like following up from higher marks in handicaps. Shaped better than the result when fourth in a Clonmel claiming hurdle last month prior to again disappointing over fences. Should be better off back over hurdles but little room from error from this mark.	Lewis Stones
2	JAZZ KING (FR) (38)	90
	P/5212P6-0 9 12-0 76.2kg Alastair Ralph Ran up to his best over hurdles when scoring at Hereford in November. Followed that with a near-miss when just bettered by the fairly useful Chasingouttheblues at Wetherby on Boxing Day but form has regressed since the turn of the year. Leap of faith required.	Joe Anderson
3	MR YEATS (IRE) (23) (D)	100
	633433F-5 8 11-10 74.4kg Oliver Greenall & Josh Guerriero Winless since 2022 but was on the premises on debut for these connections when falling 2 out at Carlisle. Went without usual headgear when not seen to best effect at Warwick (21f) last time, not ideally placed. Wasn't given a hard time that day and could be more to come on only 3rd start for yard.	Tristan Durrell
4	SPOT ON SOPH (IRE) (20) (CD)	98
	4/031459-3 9 11-4 71.7kg Sam England Well backed when winner of this race from same mark last year. Looked the likeliest winner over same C&D when fluffing her lines at the last 7 days on. Shaped as if as good as ever at Cartmel (17.2f) after 9 months off. Step back up in trip will suit and may be able to add to her fine course record.	Tom Midgley (3lb/1kg)
5	LONE STAR (31) (D)	93
	5676P7-4P 8 10-9 67.6kg Philip Kirby On a long losing run but did fare better than she had been when creditable fourth at Kelso (21f) last month. Shaped as though amiss when turned out quickly at Sedgefield 6 days later, pulled-up. Subsequently had a breathing operation and others arrive with more solid claims.	Joe Williamson
6	LORD WARBURTON (IRE) (220) (C)	95
	60/61P0- 8 10-2(10-1) 64.4kg (64.0kg) Mike Sowersby Modest at best on the Flat (stays 1½m) but made a successful handicap hurdle debut from 13 lb out of the weights at this course in (18.6f) in September. Failed to beat another rival in two subsequent hurdle starts and hard to be enthusiastic about recent reappearance on Flat. Bit to prove now.	Joshua Thompson (3lb/1kg)

6 DECLARED RUNNERS

BETTING FORECAST:

15-8 Spot On Soph, 11-4 Mr Yeats, 11-2 Thank You Blue, 6-1 Lone Star, 11-1 Jazz King, 25-1 Lord Warburton

TIMEFORM VIEW:

Last year's winner SPOT ON SOPH looks to have solid claims racing off the same mark 12 months on, having shaped well over a shorter than ideal trip on reappearance at Cartmel last month. Mr Yeats could well be building up to something for new connections and he's feared most, though he may prove even more effective over longer trips/with usual headgear refitted. Of the rest, Thank You Blue should be more competitive back over hurdles having again failed to take to chasing last time.

RACE 2

STACEY PRIDE JUVENILE HURDLE (4) 3yo £7,000 2m125y (3330 Metres)

Going: **Good**

Right handed, sharp with minor undulations. Generally favours nippy types (though the ground can get testing), plenty of races being won by those who quicken best on the run to the first obstacle in the home straight. Easy fences, with the downhill third last catching out fewer than used to be the case.

Pace Information: **Insufficient Data**

1	ABSTRACT ART (IRE) 3 11-0 69.9kg	s	80
	Ian Williams Modest maiden handicapper on Flat (stays 9.5f), possibly better on AW and below form last time.	<i>Charlie Todd</i>	
2	IT'S ONLY FUN (IRE) 3 11-0 69.9kg		100
	Jennie Candlish Fairly useful on Flat (stays 9f), won handicap at Musselburgh in April, ran no sort of race last time. Easily the best of these on the level.	<i>Sean Quinlan</i>	
3	MARRAKESH DAWN 3 10-7 66.7kg		78
	Mark Usher Little show in varied events on Flat.	<i>J. Hogan</i>	
4	NATIONAL VOICE (IRE) 3 10-7 66.7kg	t	79
	Lemos De Souza Modest maiden on Flat (should stay 1¼m), possibly needed run at Chepstow 14 days ago.	<i>Jack Quinlan</i>	
5	OLIVIA JANE (IRE) 3 10-7 66.7kg	h	84
	Oliver Signy Modest maiden on Flat (stays 1m), well held in handicap on stable debut last time.	<i>Lily Jones (10lb/5kg)</i>	
6	RESILIENT LADY 3 10-7 66.7kg	t	80
	Gary Brown Modest maiden on Flat, raced solely on AW, made frame on stable/handicap debut last time.	<i>James Davies</i>	
7	SUPER BEE (FR) 3 10-7 66.7kg	t	91
	Donald McCain Fair form in 2 races on Flat in France (stays 1½m), won claimer at Nantes in April (claimed from E. Monfort €13,606). In good hands for hurdles debut and likely type.	<i>Brian Hughes</i>

BETTING FORECAST:

6-5 It's Only Fun, 11-4 Super Bee, 13-2 Olivia Jane, 16-1 Resilient Lady, 16-1 Abstract Art, 25-1 National Voice, 66-1 bar

TIMEFORM VIEW:

IT'S ONLY FUN is the best of these on the level with a Timeform rating of 81 and he's easily the most appealing in this juvenile hurdle in which all the runners are having their first go in this sphere. Super Bee scored in France in April and probably won't be far away starting out for Donald McCain.

(Rated 0-120) £10,250 2m5f89y (4310 Metres)

Going: **Good**

Right handed, sharp with minor undulations. Generally favours nippy types (though the ground can get testing), plenty of races being won by those who quicken best on the run to the first obstacle in the home straight. Easy fences, with the downhill third last catching out fewer than used to be the case.

Pace Information: **Very Weak**

1	GENOIS (FR) (69)	93
	73164P76- 9 12-0 76.2kg Jonjo & A.J. O'Neill <i>Richie McLernon</i> Made a good start to life on British soil, building on his stable debut effort when successful in 4-runner handicap chase at Wetherby (19.4f) in November. However, struggled to get anywhere near that level since.	
2	SMUGGLERS HAVEN (IRE) (33) (BF)	98
	3P/41121-2 6 11-7 73.0kg Sara Bradstock <i>Miss Lily Bradstock (7lb/3kg)</i> Point winner who was progressive over hurdles last season, winning 3 times in handicaps. Looked set to make a successful start in this discipline before some ragged late jumping caught her out when second at Plumpton 33 days ago and she's well worth another chance.	
3	AU FLEURON (FR) (42)	32
	96/070-R 8 11-7 73.0kg Max Comley <i>David Bass</i> Found the competition far too hot in the Foxhunters at Cheltenham in March and, equipped with a visor, he ran out after the seventh in hunter chase back at that venue 42 days ago. Others make much more appeal making handicap chase debut.	
4	ABINGWORTH (12) (BF)	100
	46P311-U2 7 11-2 70.8kg James Owen <i>Sean Bowen</i> Registered back-to-back chase victories at Wincanton/Warwick for Gary & Josh Moore this spring and confirmed he remains in top form on debut for new yard when second of 6 in handicap chase at Fakenham (21.2f) 12 days ago. Hood on 1st time and big player provided he keeps the errors at bay.	

4 DECLARED RUNNERS

BETTING FORECAST:

10-11 Abingworth, 7-4 Smugglers Haven, 10-1 Genois, 12-1 Au Fleuron

TIMEFORM VIEW:

A progressive 3-time winner over hurdles, SMUGGLERS HAVEN found a couple of ragged leaps costing her when run out of things late on sent chasing at Plumpton 33 days ago. She's well worth another chance and shades the vote ahead of Abingworth, who looks sure to have a part to play following a good recent stable debut second at Fakenham.

Going: **Good**

Right handed, sharp with minor undulations. Generally favours nippy types (though the ground can get testing), plenty of races being won by those who quicken best on the run to the first obstacle in the home straight. Easy fences, with the downhill third last catching out fewer than used to be the case.

	8316799-5 8 11-6 72.6kg			
	Fergal O'Brien		Jonathan Burke	
	Won Summer Hurdle at this course last season and seemingly ticking over in two starts so far this season. Already back below his last winning mark and while feasibly treated, connections may have one eye on the bigger pot on offer here next month.			
2	ROXANNE (GER) (22) (D)			94
	1-1F 5 11-3 71.2kg			
	Dan Skelton		Kielan Woods	
	Fairly useful handicapper on Flat for Ed Dunlop and successful on first 2 hurdles starts, winning with plenty in hand under a penalty at Newton Abbot last month prior to falling when still in contention at Ffos Las 15 days later. Assuming all is well, she remains with potential now handicapping.			
3	REACH FOR THE MOON (229)			99
	4/4C119- 6 11-3 71.2kg			
	Jamie Snowden		Gavin Sheehan	
	Smart Flat winner who struck at fourth attempt over hurdles at Worcester (2m) in July. Suited by emphasis on speed when defying a penalty back from a break at Fontwell (17.7f) in October, beating fairly useful type. Jumped and ran poorly final start last season but could go well again after a break.			
4	MAX OF STARS (FR) (7lb/3kg ex) (10) (CD)			100
	27/24664-1 5 11-2 70.8kg			
	Ollie Pears		Brian Hughes	
	Took very well to hurdling in 2023/24 winning 4 times. Had been in the doldrums but ran creditably on the Flat following wind surgery prior to justifying support back over hurdles when making all to comfortably land a 7-runner handicap at Southwell 10 days ago. Still well treated under a penalty.			

4 DECLARED RUNNERS

BETTING FORECAST:

6-4 Roxanne, 2-1 Max of Stars, 4-1 Reach For The Moon, 9-1 Castel Gandolfo

TIMEFORM VIEW:

Having bounced back to form with a comfortable success at Southwell 10 days ago, MAX OF STARS remains well treated under a penalty and may be able to dictate this 4-runner affair from the front under Brian Hughes. Fairly useful on the Flat, and already a dual hurdles winner, the lightly-raced Roxanne remains open to improvement on handicap debut, if none the worse for her fall at Ffos Las last month. Of the rest, Reach For The Moon has gone well fresh previously and could bounce back.

2	CLEAN GETAWAY (IRE) (31) (C) 2111145-2 8 11-12 75.3kg	s	96
	Philip Kirby Course winner who comes here on the back of a good second of 5 in handicap chase at Sedgefield (16.4f, firm, 9/2) 31 days ago. In the mix once more.	Joe Williamson (3lb/1kg)	
3	TOP OF THE BAY (IRE) (16) 3/4P221-94 8 11-11 74.8kg	s+t	98

4	WE GOT YOUR BACK (4) (BF) 011522-23 7 11-6 72.6kg		99
	L J Morgan A dual chase winner after Christmas and he has continued in good form, third of 6 at Southwell (15.8f, good) 4 days ago when unsuited by emphasis on speed. Not ruled out now back up in trip.	Brian Hughes	
5	GREENROCK ABBEY (IRE) (6) (BF) 4P4564-43 9 10-12 68.9kg	s	 100
	James Owen  It's now 16 runs since his last win in 2023 but he shaped encouragingly for his new yard (formerly with Kerry Lee) when third of 10 in handicap chase at Worcester (20f, good to soft) 6 days ago, left poorly placed. Big shout.	Sean Bowen

BETTING FORECAST:

6-4 We Got Your Back, **5-2** Greenrock Abbey, **9-2** Clean Getaway, **9-1** Top of The Bay, **16-1** Flash In The Park

TIMEFORM VIEW:

None of these can be ruled out but GREENROCK ABBEY is fancied to build on an encouraging start for James Owen and end a long losing run at the chief expense of in-form duo We Got Your Back and Clean Getaway.

TIMEFORM VIEW:

CASTING ASPERSIONS has made a good start for his current yard and is fancied to complete the hat-trick contesting another thin handicap. Star Vantage is a long-standing maiden but seems likely to pose the biggest threat nonetheless.
