He likes this distance. **6 Månremus** is up and down but scored very nice victory in July in a new record. This distance is the right one. **7 Norrlands Scott** won together with his owner in June and is tough after meeting strong opponents.

8 Constant Caviar is a Norwegian guest in great shape. Had scored two straight wins in the lead before he got defeated shortly before the finish second up. This number is a question mark but he is still the horse to beat. 2 Adlon Amok scored two convincing wins in a row for the new trainer this spring. Has recharged the batteries during the summer and has to be considered. Is very fast for this class. 1 Märta B.J. gave up after a very tough opening in the last race. Is well drawn and will certainly get a nice trip here. Contender. 5 Wolverine has put in a coupe of great efforts but been up and down too. Has earlier won together with this driver.

2 Jaques Noir scored his first win for the new trainer on Färjestad in June and showed good skills then. Has been a bit unlucky lately and the form is a lot better than the latest results show. 8 OnTrack He's Black is consistent and good and can do it tough too. New driver and will get an offensive journey. 3 Everest Sisu prefers to face somewhat easier opponents. Comes from a comfortable victory but looked nice. 6 Urgent Call has been on the way up after a break and finished fast to victory in the last race. Is driven by trainer Oskar J Andersson again here.

1 Lovergirl Gem has been improved after a break and scored her first win in the last race after a trip from behind the leader. Quick starter and perfect number. Will certainly get a nice journey again. 5 Zola Sober has been consistent lately and faces easier opponents this time. This short distance is an advantage too. Early choice. 7 One in a Million won a race as a two-year-old but has not convinced so far this season. 10 Guli Fantom wins often but is not reliable either. Has scored three convincing wins in a row lately though. Has several victories over the long distance and should have top chance to win this. 11 Höstbo Wille was third over the long distance in the last race and just closely defeated. Could challenge the favorite here. 2 Tor N.O. comes from a good effort and showed good strength for this long distance. Possible here behind the favorite. 9 Slotts Kvikken has not raced for a long while but he is good for this class. Outsider.

Galloped in the lead on the home stretch in the last race and chases revenge here. 7 Aperfectdream has put in several great efforts for Hanna Forslin and the latest victory came over this short distance. Contender. 9 Issiah has been matched against easy opponent but looked nice. Has been successful lately but this number in the second line is tricky. 10 Patricia Zaz has become more reliable lately and even if she prefers to compete under the saddle she comes from a good sulky win.
