6 Kaley D C is the big favorite in this heat to the Danish Derby for fillies and mares. She has by far earned most money and should have top chance regardless of the journey. Banker. **1 Komsålangborg** is coming off a nice win and has an excellent lane here. Can open fast and will certainly go for the lead. **3 Karla di Damgård** suddenly galloped in the lead in the last race and would certainly have won that race otherwise. Chases revenge. **5 Kiwi Shadow** is a very quick starter. Doesn't win very often but could be a place bet.

5 Kingston is our pick in this quite open heat to the Danish Derby. He won the big race Jyds Grand Prix two starts back but galloped straight away last time. **1 Klinton** was fifth in the last Jyds Grand Prix after a good finish. Excellent draw here and an early choice. **4 Keep Loving You** is driven and trained by Christoffer Eriksson. Had a good season last year but has not been as successful this year. Came back well as fourth after a gallop last time. Possible. **10 Kalle May** is one of the best horses in this race but he has got a difficult starting position. Hopes for quick pace.
