5 Otroligosåfin was not at his best in the last V75 race and got a break after that. Has been in the front when he scored his five wins this season. Early contender here if he is at his best. 2 Lexington Tooma won from behind the leader two starts back and finished well to a second spot in the last race. Is in good shape and should be considered early with this nice number. 1 Rossi Palema did alright after a mistake in the last race. He was really good on several occasions last year. Nice number and this distance is the right one. 3 Andre Agassi won over the short distance on Umåker in February.

2 Hornnes Tore has been improved for the new trainer lately. He won from behind the leader in Skellefteå and scored a good second spot in the lead in Boden. This shorter distance compared to the last race is an advantage. 1 Gosens Titana has won two races so far and both in the lead. Good chance to reach the front again here as the only horse in the first circle. Contender. 5 Lill Elden has not won since February when she scored an easy victory. Is in quite good shape and should not be overlooked without a mistake. 9 Sindys Tove has won over the middle distance and longer but is possible anyway here in case of quick pace.

3 Albert Zonett scored a good third spot from outside the leader over an unusual distance two starts back. Before that the horse had five wins in a row. Good chance in this company. 2 **Gurra Palema** has won three out of four starts for Sandra Eriksson and if they avoid a mistake now they will be in the mix here. 7 **Arizona Dream** has scored two easy wins on Umåker this year together with Mats E Djuse. Resumes from a spell but should be considered directly. 5 **Anthem** galloped in the last three races last year but has been much more reliable this season. Possible with the right journey.

7 Estelle Ima was poorly drawn in the last race but scored a good second spot. The four-year-old has only run four races this year but could be dangerous here with two fast runs under her belt. 6 **Just More Fun** is an early choice in this field if she is at her best. Has earlier won for Mats E Djuse. 2 **Digital Quality** won easily in the lead in the last race but was never challenged. She had energy left though and has to be followed here. 10 **Come and Get it** finished well to a comfortable win on Solvalla in March and with the right trip from the back she could be in the mix here.
