1 Slotts Tore is our winner here. He has good speed for this class and is in fine form. He never found room in between horses in the last run and was not empty at the end. 3 Prins Horgen Tin is the main challenger. He won comfortably in the lead two starts back and could reach the front here too. 7 Sturfajt'n did not impress in the last run after a layoff. Can do better and is an outsider with this number.

6 Ruger scored a splendid victory in a stayer race on Färjestad two starts back. Came back strongly in a Derby heat before that. Our pick. 7 I can Steel was second from outside the leader in the last V75-race and very brave. Can do it tough and is the main challenger. 4 L.L.Pod Primo can do a lot better than he showed in the last run on Bollnäs. In the mix if he lives up to his capacity. 1 Midas Mirakel has been consistent and good. Nice number and outsider this time.

6 Maximize'em made a big mistake in the last start but came back well. This starting method is an advantage. Good chance without an error. 4 Baracchi T.P. has good speed for this class but is not reliable. In the last run he got locked in from behind the leader with energy left. 8 Sagittarius deserves a victory soon. Poor number but with some racing luck he will be in the mix here. 10 Haradi won directly after a pause in the last run. Needs some racing luck with this number in the second line. Outsider.

5 Casino Royale D.E. got a tough final lap in the last run and was brave. Has two runs under his belt in Sweden and is ready for victory now. 7 Sanda Mariah is a bit up and down and did not convince in the last run. Scored a nice victory before that and won the last time driven by trainer Bergh. 4 I Am D. scored a good victory two starts back. Was fifth despite a poor number in the last run. Contender. 9 My Love M.L. came back well after an early mistake in the last run. Could cause an upset here but needs some racing luck.
